

Peralta Community College District

Dear PCCD-Laney College Children's Center Families,

We are asking families to complete the Ages and Stages Questionnaires (ASQ). This information will help us to better understand your child's development and how we can provide additional support to you and your child.

Below is the link so you can begin the ASQ. There are two questionnaires that we are asking you to complete. Each questionnaire will take you about 15-20 minutes and you must complete each questionnaire in one sitting. Some questions will ask you to do an activity with your child so please make sure they are rested and fed before trying them.

Once you complete the first questionnaire you will be offered a link to the second questionnaire. Please proceed and also complete the ASQ: Social Emotional Questionnaire immediately. You will not need your child to complete the ASQ: Social Emotional Questionnaire.

First Questionnaire: (ASQ-3)

Second Questionnaire: (ASQ: Social Emotional)

(Note: In the Section "Screening Date" select "I am screening my child today")

We are asking for all families to try to complete these questionnaires within a week of receiving the enrolling packet.

If you have any questions, please call the Laney front office at (510) 464-3575 or Merritt at (510) 436-2436.

Sincerely,

Laney & Merritt Children's Center Staff
