A list of ASCCC institutes and plenary opportunities for this academic year follows. Please consider which of these events you or a college senate representative plan(s) to attend and send that information to all DAS members ASAP. Because our budget is smaller we can decide how to best support sending several faculty representatives to as many of the ASCCC institutes and plenary sessions as possible. Early requests are encouraged and should first be addressed to college senate presidents, who will bring them to the DAS for discussion. Be aware that travel authorization procedures have changed, so plan accordingly.
