This provision shall not be applicable when excess hours are required by a schedule adjustment requested by the employee or part of a regular flextime schedule requested by the employee, and subject to the approval of the first level manager. The Union and the District recognize and accept that certain positions in some areas (assessment, registration, and special events such as graduation) necessitate temporary schedule adjustments. The District is committed to giving reasonable notice to employees in such positions of the need to modify their schedules to accommodate college workflow. 10.7 Working Out of Classification
All employees will be assigned within their classification. If an employee is assigned to work out of classification, including in lateral classes, and in lower classifications where the duties are inconsistent with those assigned to the employee on a permanent basis, his/her first-level manager shall, prior to the assumption of such duties, put such assignment in writing and shall indicate the reasons, length and duties of the assignment.

10.7.1 No employee shall be assigned the duties of a classification other than his/her regularly assigned classification for more than 90 working days in any twelve (12) month period.

ARTICLE 10

PAY AND ALLOWANCE

1. The Union and the District will jointly prepare a brief written statement of
   and reasons for their final position on the classification and pay rate for the
   position(s) in the study. A copy of this statement will be provided to the
   other party and to the classification and pay specialist.

2. The Union and the District will jointly select a classification and pay
   specialist, who has no connection to either the District or the Union, to

ARTICLE 11

HEALTH AND WELFARE BENEFITS

11.1 Health and Welfare Benefits (See Appendix 1)
The District will continue to fund the present Health and Welfare Program and absorb any increase in premium rates at the current benefit level for the duration of this Agreement.

11.2 The parties agree that a study committee shall be established to study manners and mechanisms which will reduce the impact of health and welfare costs to the District. The study committee shall consist of representatives from PFT, SEIU Local 1021, IUOE Local 39 and Management to review potential changes and/or modification to health and welfare plans. The role of the Committee shall be limited to making recommendations to the unions and the District.

11.3 Specific Definitions
All members have the right to enroll in the following plans at the time of initial employment or during the open enrollment period. Specific Definitions will be modified as appropriate per the following language:

a. Medical Expense Insurance:
   1. CoreSource/Blue Cross Prudent Buyer or such other plan that provides equivalent benefits (Policy #4138), or
   2. Kaiser Foundation Health Plan (Policy #65)

b. Dental Expense Insurance or such other plan that provides equivalent benefits.
   1. Delta Dental Insurance (Policy #7046-0500), or
   2. United Healthcare DMO Dental Plan (Policy #04N6328)

c. As used herein, the phrase "at District Expense" means the District will continue to pay the entire premium for the retiree and, where covered, retiree's eligible spouse or dependents, under the conditions specified herein.

d. As used herein, the phrase "consistent with the coverage offered to active employees at the time of retirement" means, for example, "no reduced benefits, increased co-pays, or increased deductibles". The District shall continue to cover retiree's eligible spouse or dependents medically necessary or appropriate services, subsequently included within District plans for active employees.

A. No reduction in any benefit that was provided in the immediately preceding agreement shall occur due to failure to include said benefit in this Agreement, unless such reduction is specifically indicated in this Agreement.

B. There are no changes to the plans that provide Life Insurance and Accidental Death and Dismemberment (AD&D) benefits, the Delta Dental Insurance Group Dental Plan or such other plan that provides equivalent benefits, the Flexible Benefits Plan, and the Commuter Expense Plan.

C. The description of employee's medical benefits plan included in this Agreement shall replace the current Blue Cross PPO and modify the current Kaiser plan for the
ARTICLE 11 HEALTH AND WELFARE BENEFITS

period 9/1/04-6/30/07. The current medical benefit plans shall remain in effect until the new plans are fully operational and implemented. All health and welfare plans shall be contractually arranged by the District and said contracts are hereby made a part of this agreement as per Article 11.4.a in the 7/1/00-6/30/03 Local 790-PCCD Contract.

D. The description of the Long-Term Disability plan included in this Agreement shall replace the current long-term disability plan for the period 7/1/04-6/30/07. All Long-Term Disability plans shall be contractually arranged by the District and said contracts are hereby made a part of this agreement as per Article 11.4.d in the 7/1/00-6/30/03 Local 790 PCCD Contract.

This change affects any active employee who experiences a disability that begins on or after July 1, 2004.

Instead of a benefit level of 75% of pre-disability earnings, which is taxable like any other income, the benefit level decreases to 60% of pre-disability earnings, which is not taxed.

This means the actual monthly cost for each employee will be added to his/her gross income, but then in the same paycheck that amount will be deducted for Long-Term Disability (making it cost neutral for the employee).

Due to the change in benefits structure for employees earning less than $30,000, with 3 or more dependents, there is a net loss of approximately $100/month. In those specific instances, the District will reimburse the employee for the amount of the net loss.

E. Survivor Rights.

1. Upon the death of the employee, the surviving spouse and all dependent children and posthumous children (until all such children would no longer be eligible to receive paid medical benefits had the employee survived) shall receive paid medical benefits consistent with the coverage provided to active employees at the time of the employee's death. Said spouse shall then have the option of buying into the District medical benefits program by the timely payment of premiums as stipulated by the District for the lifetime of the spouse or as long as s/he is eligible under the guidelines identified below.

   a. Only the surviving spouse and dependent children (including posthumous children) covered by the employee's medical plan at the time of the death of the employee are eligible for this coverage.

   b. In the event of the death of the employee and/or his/her spouse, the dependent children and posthumous children of the employee shall receive paid medical benefits until all such children would no longer be eligible to receive paid medical benefits had the employee survived.
c. If there are no dependent children, the surviving spouse shall have the option of buying into the District medical benefits program by the timely payment of premiums as stipulated by the District for the lifetime of the spouse or until s/he is no longer eligible under the guidelines identified below.

d. Eligibility for medical benefits will terminate for the surviving spouse and dependent children upon the re-marriage of the surviving spouse.

e. Eligibility for medical coverage will apply only if the surviving spouse and dependent children have no other group medical coverage or if the surviving spouse must pay for other group health coverage. Annual documentation will be required.

f. Coverage under the District's medical plan will be secondary to any other medical coverage.

g. Eligibility for this benefit replaces COBRA. The surviving spouse and dependent children will not be eligible for COBRA.

F. Eligibility conditions for Retirees health and welfare benefits shall be as follows:

1. Hired on or after July 1, 2004

   a. Vesting for retirement benefits for all employees hired on or after July 1, 2004 will be ten (10) years. Employees retired from regular contract service at the age of 50 or older with at least 10 (ten) years of service shall receive these retiree benefits.

In the event of the death of the retiree prior to the spouse or dependent reaching the age of Medicare eligibility (currently 65), the dependent may purchase the Active plan until s/he reaches the age of Medicare eligibility (currently 65).

   c. Employees hired on or after July 1, 2004 who work full-time beyond the attainment of age of Medicare eligibility will remain on the District's medical plans, like any other active employee. Once retired, an employee may elect

2. **Hired before July 1, 2004**

   a. Consistent with the status quo, employees retiring from the District with ten (10) years of vested service and at the age of 50 or older shall receive these retiree benefits.

When such employees reach the age of Medicare eligibility (currently age 65) they shall enroll in Medicare Parts A and B, provided the District pays 100% of the current and future costs of Medicare premiums and continues to provide, at District expense, medical coverage consistent with coverage offered to active employees at time of retirement. The District shall pay or reimburse the retiree for the current and future costs of the Medicare premiums. The District shall pay the Medicare taxes of such employees. After enrolling in Medicare, no individual shall receive less coverage (for example, reduced benefits, increased co-pays, increased deductibles) as a result of enrolling in Medicare.

   c. Active employees hired before July 1, 2004 who are not currently paying into Medicare shall pay Medicare taxes, if they are not at the present time.

   d. Any spouse or dependent of a vested, retired employee who was hired prior to July 1, 2004, shall be covered during the retiree's lifetime at District expense under medical coverage that is consistent with the coverage offered to active employees at the time of retirement, or until s/he is no longer a spouse or dependent. The retiree, spouse and eligible dependent shall, upon reaching the age of Medicare eligibility (currently age 65), each enroll in Medicare Parts A and B and the District shall immediately, and thereafter, pay 100% of the current and future costs of Medicare premiums. No individual shall receive less coverage (for example, reduced benefits, increased co-pays, increased deductibles) as a result of enrolling in Medicare.

   e. Employees hired prior to July 1, 2004 who work beyond the attainment of Medicare eligibility (currently age 65) will remain on the District's medical plans, like any other active employee. When they retire, they must enroll in Medicare Parts A and B. The District shall immediately and thereafter pay 100% of the current and future costs of Medicare premiums for the employee. No individual shall receive less coverage (for example, reduced benefits, increased co-pays, increased deductibles) as a result of enrolling in Medicare.

This option shall also be applicable to dependent children.

3. All employees hired at any time

   • Choice of either a PPO medical plan or a prepaid health plan (Kaiser), includes eligible dependents, spouse or domestic partner.

I. Long-Term Disability Insurance – Hartford Life Insurance District paid. The description of the Long-Term Disability plan included in this Agreement shall replace the current long-term disability plan for the period 7/1/04-6/30/07. All Long-Term Disability plans shall be contractually arranged by the District and said contracts are hereby made a part of this agreement.

This change affects any active employees who experience a disability that begins on or after July 1, 2004.
Instead of a benefit level of 75% of pre-disability earnings, which is taxable like any other income, the benefit level decreases to 60% of pre-disability earnings, which is not taxed.

This means the actual monthly cost for each employee will be added to his/her gross income, but then in the same paycheck that amount will be deducted for Long-Term Disability (making it cost neutral for the employee.)

J. Vision Benefit

At no cost to the District, a vision benefit will be provided under the PPO plan.

Under the plan, the plan participant can go to a licensed practitioner for a visual examination. If this practitioner prescribed corrective lenses, then there is a vision hardware benefit available. It is offered on an in and out-of-network basis.

Failure to comply may result in the delay of providing coverage.

13.15.1 No period of voluntary unpaid absence for less than 120 calendar days in any twelve (12) month period shall be considered a break in service for the purpose of earning seniority under this Agreement.

13.15.2 If at the conclusion of all leaves of absence, paid or unpaid, the employee is still unable to assume the duties of his/her position or a position in his/her class, he/she shall be placed on a reemployment list for a period not to exceed 39 months. If sufficient employees are obtained in this manner, summer work shall be assigned and accepted in inverse order of seniority.
27.0 Employment of Retirees

For convenient reference purposes only, the following reprint of the PERS rule regarding the temporary employment of retirees is provided:

"a. Temporary Employment - All Employers*

Any retired person may be employed by the appointing power of a state agency, or any other employer of this System, for a period not exceeding 960 hours in any calendar year for all employers; either during an emergency to prevent stoppage of public business or because the retired employee has skills needed in performing work of limited duration. The rate of pay for persons employed under this Section may not be less than the minimum, nor exceed that paid by the employer to other employees performing comparable duties (Government Code Section 21153)."
ARTICLE 28

SEXUAL HARASSMENT

28.1 No employee shall be subjected to sexual harassment in the course of employment. Sexual harassment means unwanted conduct or communication of a sexual nature which adversely affects the person's employment relationship or working environment. Among the behaviors considered to be sexual harassment are: unwanted physical touching, molesting, verbal insults (including remarks of a sexual nature or displaying obscene jokes or cartoons), explicit sexual gestures and rumors designed to cause the individual emotional distress or place the individual in a bad light.

28.2 Sexual harassment occurs when an unwelcome sexual advance, request for sexual favors, and other verbal or physical conduct of a sexual nature:

a. Is made, either explicitly or implicitly, a term or condition of an individual's educational or employment status;

b. Is used as a basis for educational or employment decisions affecting such individual; or

c. Has the purpose or effect of unreasonably interfering with an individual's educational or work performance, or creating an intimidating, hostile or offensive educational or working environment.

28.3 Individuals who feel they are subjected to sexual harassment can file a complaint with the Human Resources Office at the District's Administration Center. The Equal Employment Opportunity Officer shall investigate all complaints of sexual harassment and give a written response of the findings to complainant; and will recommend corrective action where warranted. Record of such complaints shall be kept separate from an individual's personnel file and will be treated in strict confidentiality. Sexual harassment matters are subject to the District's sexual harassment policy and grievance procedure.
ARTICLE 29 VOLUNTARY SICK (Catastrophic) LEAVE CONTRIBUTION PROGRAM

29.1 A voluntary Sick Leave Contribution Program may be established to meet the needs of unit members experiencing catastrophic illness or injury. Catastrophic illness or injury means an illness or injury that is expected to incapacitate the employee for an extended period of time, and taking extended time off work creates a financial hardship for the employee because he or she has exhausted all of his or her sick leave and other paid time off (Ed. Code 87045 a 1). The Program shall be administered according to the provisions below.

29.2 Contributions
A five member, Local 1021 appointed Voluntary Sick Leave Contribution Program Committee shall call for voluntary contributions of accrued sick leave days/hours when a need is identified and verified. Individual contributions by members of the bargaining unit may be made under the following conditions:

a. The minimum contribution per call is one day (8 hrs.).
b. The maximum contribution per call is five (5) days.
c. The minimum Sick Leave balance after the contribution is at least five (5) days.
d. Transfer of contributions shall be limited to the number of days used subject to the maximums provided in this article.

29.3. Eligibility
a. A recipient of sick leave contributions must be an employee at the time the request is made.
b. Other Paid Leave Accounts
   No unit member will be eligible for donated sick leave benefits until all other available paid leave accounts under the Local 1021-PCCD Agreement have been exhausted.

29.4. Benefits
a. The Program may contribute up to 50 days at 100% of pay but no more than necessary for an employee to be eligible for Long-Term disability.

b. Limitations on Use
   No unit member may receive benefits from the Program more than two times in his/her lifetime.

c. Unit members receiving sick leave donations shall be covered by the District for medical, dental, life and disability they would be otherwise qualified to receive.

d. Effect of Receiving Benefits
   Benefit recipients shall be solely responsible for any state and federal taxes on the donated time. Such taxes shall be withheld at the normal rate for the recipient employee. In the event that the state or federal governments rule
that a tax liability is due other than as taxed, the recipient shall be solely liable
for such liabilities.

29.5. **Request Procedures**

Request for benefits shall be submitted in a sealed envelope to the Vice Chancellor of
Human Resources and Employee Relations. The Vice Chancellor shall receive the
request and supporting medical documentation and certification to determine whether
the unit member meets eligibility requirements. Such requests must include a
physician’s certification that the unit member is unable, as a result of a catastrophic
illness or injury, to perform the material duties of his/her occupation. At its discretion,
the District may require additional medical information or require examination by a
second physician of the District’s choosing and at the District’s expense. After
reviewing the application and supporting documentation, the Vice Chancellor shall
submit to the committee a statement which indicates whether the unit member has met
the criteria and furnished all documentation and number of days needed to bridge to
eligibility for Long-Term disability benefits.

The five member Local 1021 committee shall review the request and approve the call
for sick leave contributions. Contributors may not contribute more days/hours than
needed. The decision of the committee shall not be subject to the grievance and
arbitration provisions of the Local 1021-PCCD Agreement.
ARTICLE 30  NEGOTIATIONS/DURATION

30.1 Commencement of Negotiations
Within ten (10) days of satisfaction of the public notice requirement, negotiations shall commence at a mutually acceptable time and place for the purpose of considering changes in this Agreement.

30.2 Released Time for Negotiations
SEIU Local 1021 shall have the right to designate ten (10) employees (Including the President and Chief Steward) who shall be given reasonable released time to participate in actual negotiations.

30.3 Length of Agreement
This agreement shall become effective July 1, 2011 and shall continue in effect until June 30, 2012, and shall automatically remain in effect until completion of a binding written agreement by the parties, which shall supersede this Agreement.

30.3.1 Bargaining unit employees with permanent status shall not suffer disproportionately in any adverse budgetary process. During the term of this Agreement, there shall be no layoffs of classified employees with permanent status represented by Local 1021, or involuntary reductions in the work years of those employees, unless the Board of Trustees has determined, after public input, that layoffs or reductions in the work years of employees are the only fiscally viable response to any adverse budgetary situation.
This contract renewal was ratified by Service Employees Local 1021 (SEIU) Peralta Colleges Chapter on May 23, 2011.

Approved by the Peralta Community College District Board of Trustees on May 24, 2011.
CORESOURCE / BLUE CROSS / MEDCO / SPECTERA

1. A basic summary of the current medical plan is as follows:

Benefits Summary: Preferred Provider Plan – CoreSource/Blue Cross

What is a pre-existing condition limitation?

A pre-existing condition is an illness or injury which existed within six (6) months before the enrollment date for coverage under the plan. An illness or injury is considered to have existed when the person 1) sought or received professional advice for that illness or injury, or 2) received medical care or treatment for that illness or injury, or 3) received medical supplies, drugs, or medicines for that illness or injury.

Benefits will be provided for pre-existing conditions after the completion of a period of six (6) months [eighteen (18) months for late enrollees] from the covered person’s enrollment date for coverage under the plan. The pre-existing condition limitation shall not apply to a child born to or placed for adoption or to pregnancy under any circumstances.

New / Current Employees:

New employees (or a current employee who is transferring health care coverage to the CoreSource plan) with prior coverage must be issued a Certificate of Creditable Coverage under federal law. If there are less than 63 days from the last date of prior coverage all or part of the pre-existing condition limitation provision may be satisfied.

New employees (or current employees who transfer health care coverage to the CoreSource plan) should file any such Certificates with the District’s Benefits Office.

2. The benefits summary above is not in any way meant to lower or limit the following rights or coverages:

A. Out-of-State Retirees
   Covered expenses for retired members who move out of the District of Columbia will not be compromised as long as retiree advises the District of the address change for timely alignment with the Blue Cross network. Plan deductibles will apply. Benefits are based on the usual & customary charges schedule for the area of residence.

B. Referral
   If there is not a participating provider within a 50-mile radius of the member's residence, a member can request an authorized referral to a non-participating provider. If the referral request is approved, the physician will be reimbursed at 100%, after deductible, of the usual & customary charges.

C. Emergency (See chart)
   Covered expenses for claims incurred due to an emergency (as defined by CoreSource) will be paid at 100%, after $35 copay, (deductible is waived).

   The definition of an emergency in the Summary Plan Document certificate is:

   An accidental injury, or the sudden onset of an illness where the symptoms are of such severity that the absence of immediate medical attention could reasonably result in:
   1. Placing the covered person's life in jeopardy, or
   2. Causing other serious medical consequences, or
   3. Causing serious impairment to bodily functions, or
   4. Causing serious dysfunction of any bodily organ or part.
   5. Causing a covered person to seek medical attention because of the perception that he or she would have suffered grave consequences had medical attention not been sought.

   In addition, PCCD and the PFT have agreed to add the following definition:

   Medical Emergency
   "A condition, illness or injury is considered a medical emergency when there are symptoms of sufficient severity such that the absence of immediate medical attention could reasonably be expected to result in any of the following:

   1. placing the patient's health in serious jeopardy;
   2. serious impairment to bodily functions;
   3. serious dysfunction of any bodily functions."

   In the event that CoreSource/Blue Cross initially determines that the condition was not an emergency, the insured is entitled to request reconsideration. The doctor needs to submit additional information and request that the claim be reviewed. If subsequent to the review the claim is paid at the non-emergency rate, the insured can appeal by going to Binding Arbitration or small claims court, as outlined in below.
D. Binding Arbitration

Any dispute or claim, of whatever nature, arising out of, in connection with, or in relation to this Plan or breach thereof, or relation to care or delivery of care, including any claim based on contract, tort or status, must be resolved by arbitration, if the amount sought exceeds, the jurisdictional limit of the small claims court regarding a claim for damages within the jurisdictional limits of small claims court will be resolved in such court.

The arbitration is begun by the covered person making written demand on the plan administrator, Peralta. The American Arbitration according to its commercial rules of arbitration will conduct the arbitration. The arbitration shall be held in the State of California. The arbitration findings will be final and binding except to the extent that California or Federal law provides for the judicial review of arbitration proceedings.

E. Clerical Error

No clerical error on the part of the employer or claims processor shall operate to defeat any of the rights, privileges, services or benefits of any employee or any dependent(s) hereunder.

F. Comparison of Health Plans – Blue Cross, CoreSource, and Kaiser
