

PERALTA COMMUNITY COLLEGE DISTRICT - May 2, 2002

CLASSIFIED JOB DESCRIPTION

**HELP DESK SUPPORT TECHNICIAN II
(SEIU Local 1021 Salary Range 079)
Job Code: 921**

CLASS PURPOSE

Under general supervision, the Help Desk Support Technician provides initial technical support to the college and District Office computer users. Performs a variety of basic and advanced technical help desk support duties.

(The Help Desk Support Technician II is a journey level position. This position class differs from other data processing classes in that the emphasis is on providing help desk user support functions. An incumbent in this class is responsible for providing initial (level one) hardware and software technical support to a variety of computer users district wide via telephone, email, web and other methods. This position differs from the Help Desk Support Technician I (Trainee) class in that it requires the incumbent to have more advanced knowledge and experience in solving users' problems and knowledge of hardware, software, networking and help desk support as well as helpdesk processes or procedures.)

WORK SCHEDULE

This is normally a full-time position with a work schedule of five days and 40 hours/week. Duties are performed 12 months a year. May be required to work some evenings and Saturdays during peak periods, such as registration, audits, fiscal year end, graduation, etc.

EXAMPLES OF ESSENTIAL DUTIES:

Any one position may not include all of the duties listed nor do listed examples include all tasks which may be found in positions of this class. To perform this job successfully, an individual must be able to perform each essential duty of the position satisfactorily. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions required for the position.
