RE: District Technology Committee approves IT strategy

On Friday, February 3, 2012, the District Technology Committee voted unanimously to approve the Peralta Community College District Information Technology Strategy for 2012-2015 and to forward it to the Planning and Budgeting Committee for its consideration.

Please find attached the IT strategy. The strategy is the culmination of 3 months of work by members of the District technology committee and others. It represents the best thinking of the Peralta community's most technologically-engaged members and will help guide the District's and colleges' investments in technology for the next 3 years.

Please let me know if you have any questions.
