## Why Peralta needs a mobile app

Students spend **more time online**, using **mobile devices**, than with any other digital media.

**80%** Of the time spent on mobile devices, **students are using apps.**

A collage of various mobile application icons on a smartphone screen. The icons are arranged in a grid-like pattern and include recognizable logos such as CNN, WhatsApp, and others. The background is a dark blue color with a subtle pattern of light blue squares.

Therefore, **apps** are becoming the dominant form of digital interaction

# The Opportunity

# Landing Page

## -Today

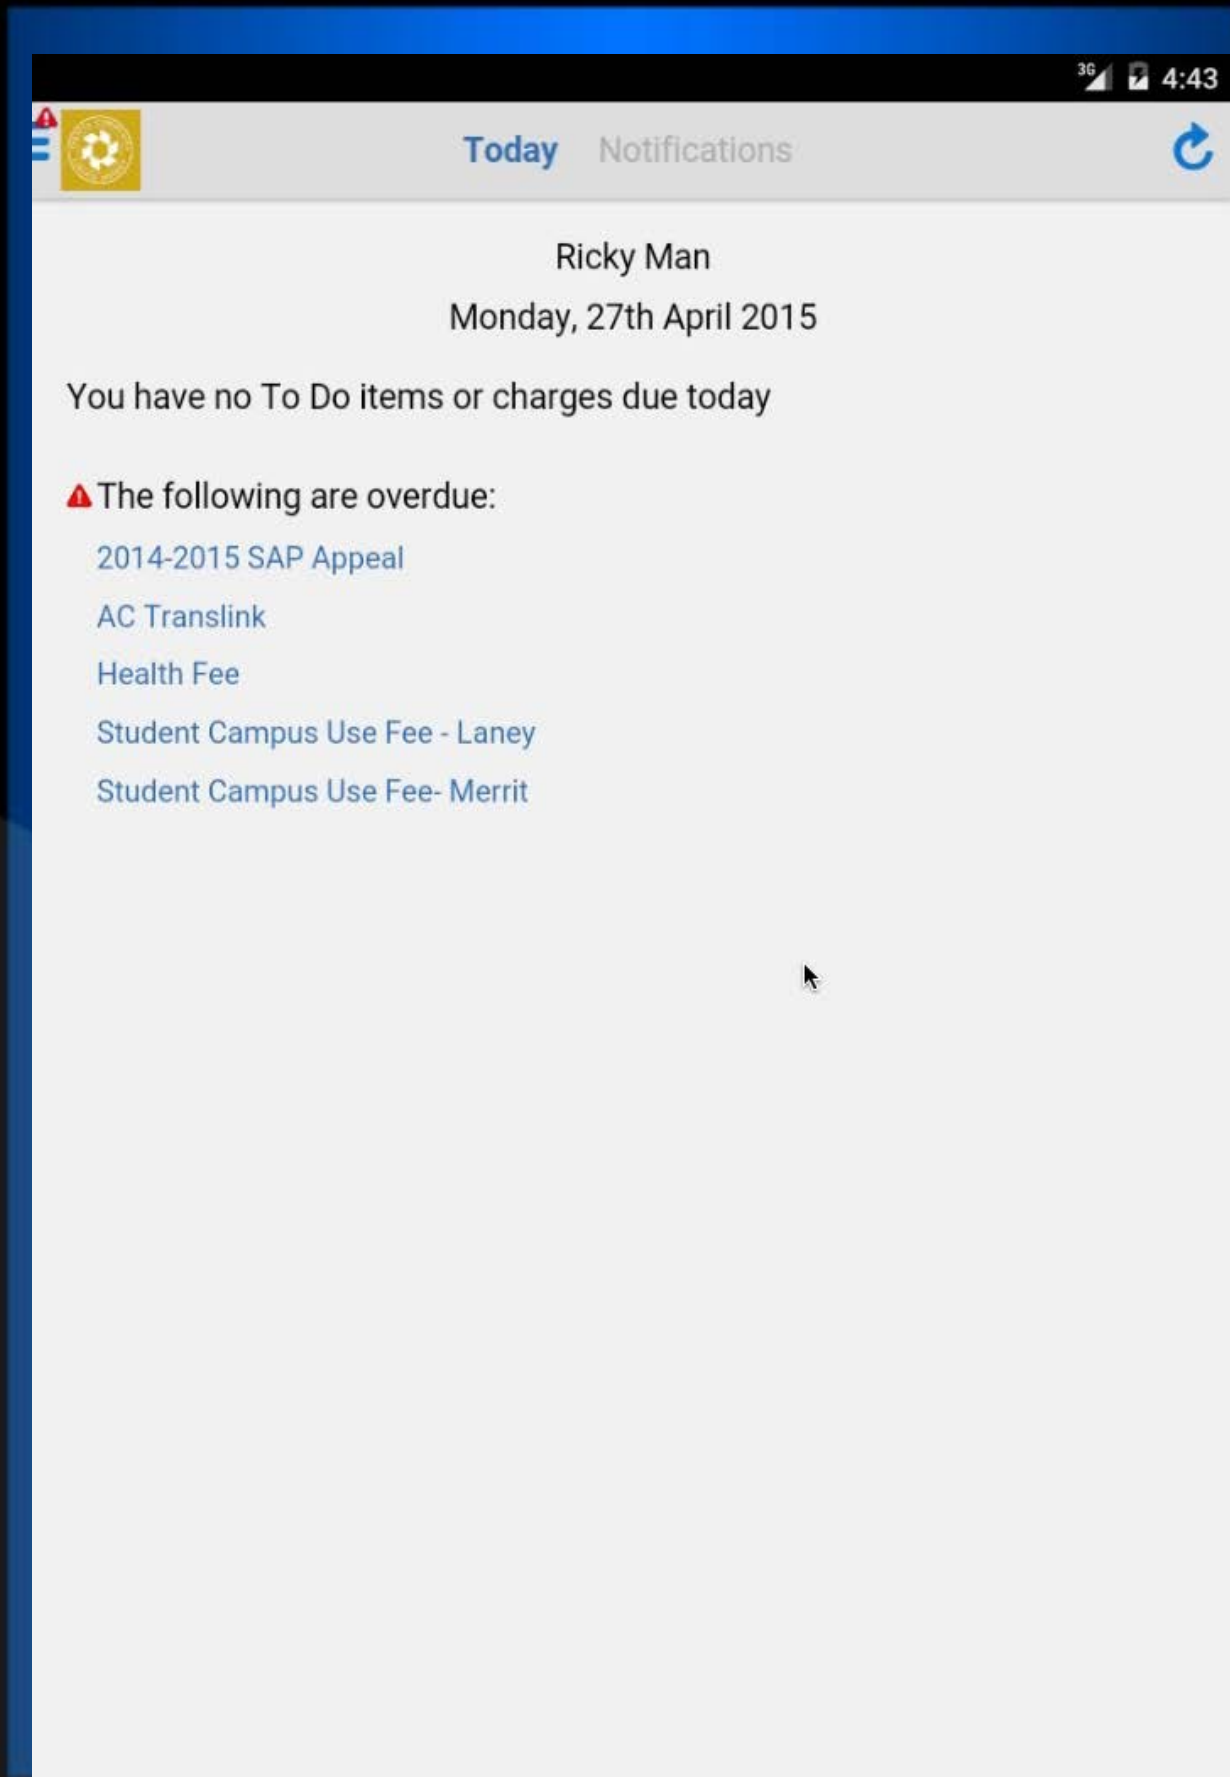

This is the first page seen when opening the app. It includes an up-to-the-minute view of

- The student's daily class schedule
- Charges due today
- Today's to do items
- Holds
- Overdue charges

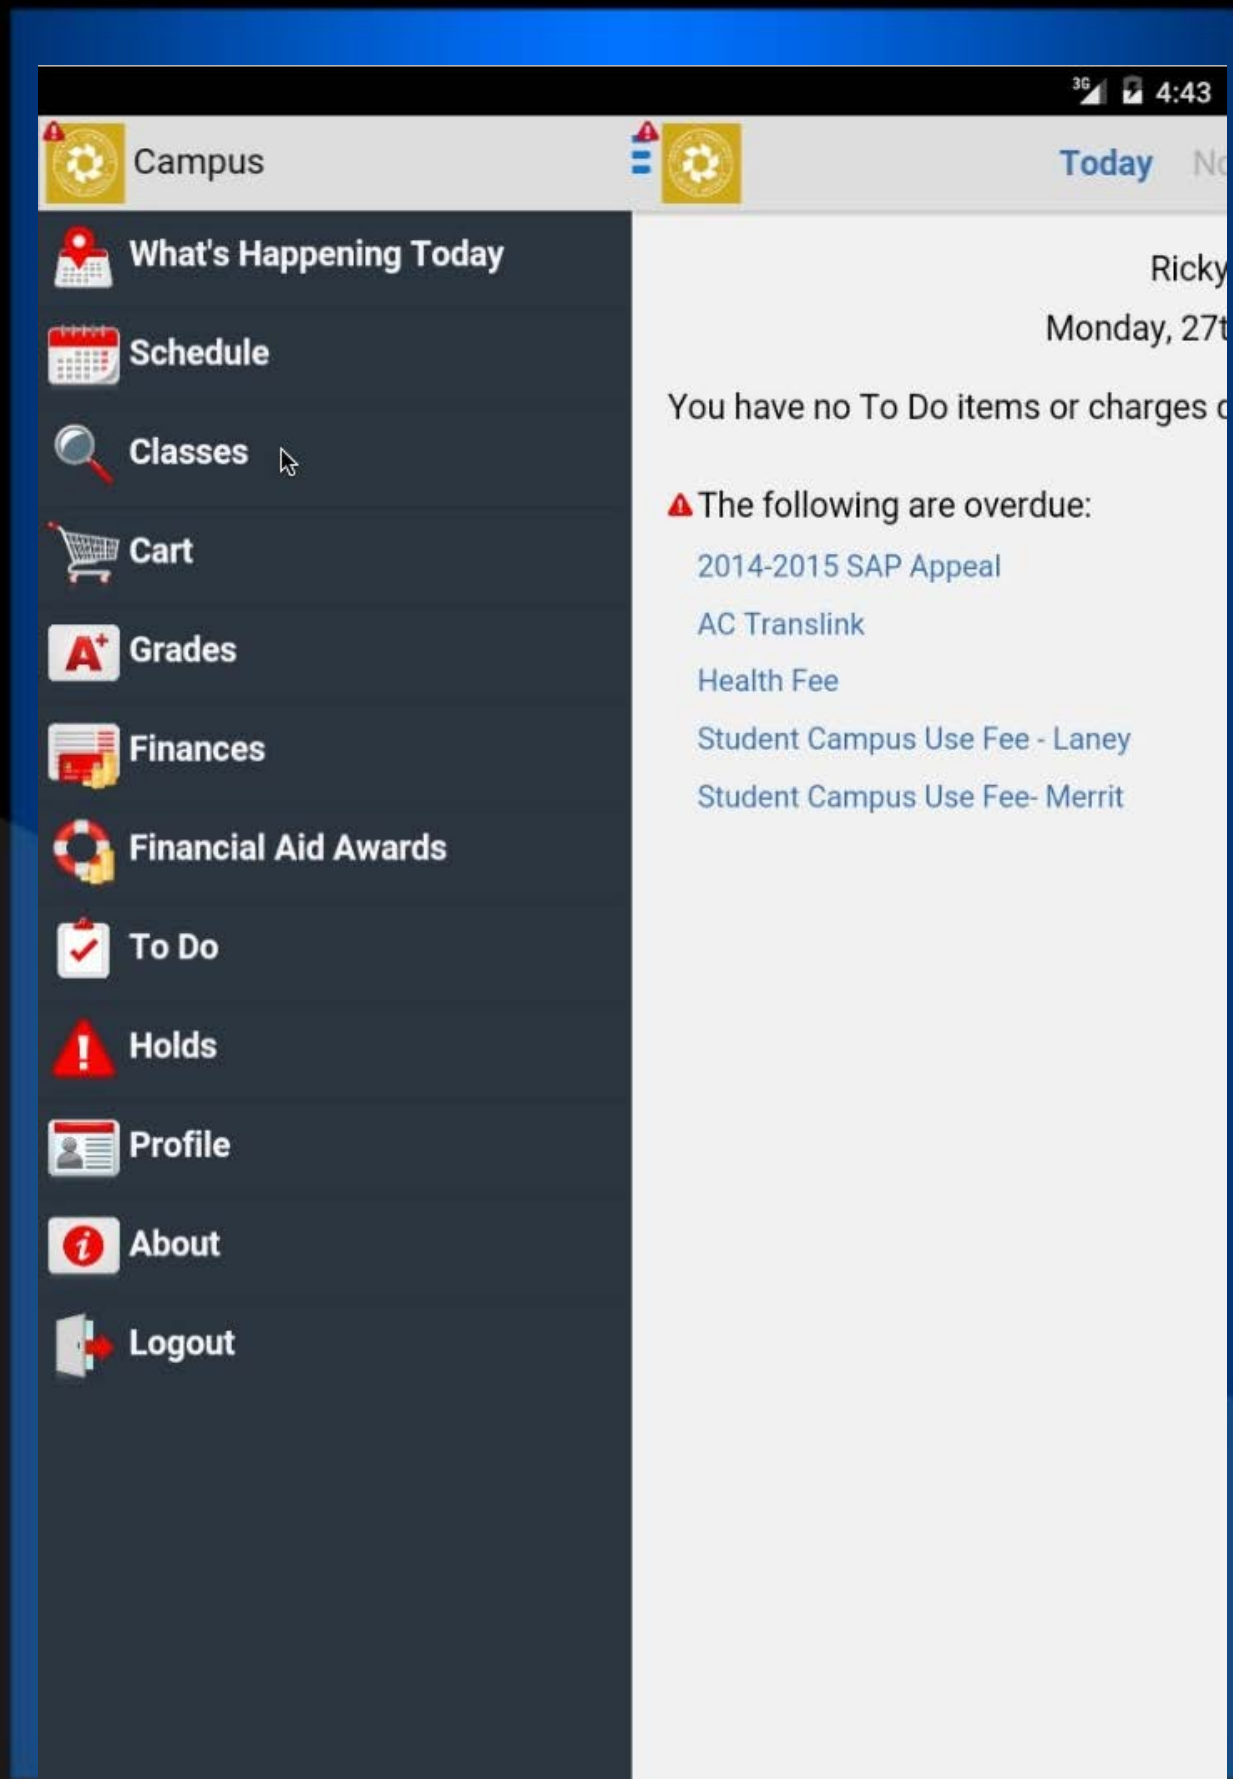

## -Notification

In Notifications, the student sees a feed of events that have happened on their academic record

- A posted final grade
- Added checklist item

# Springboard

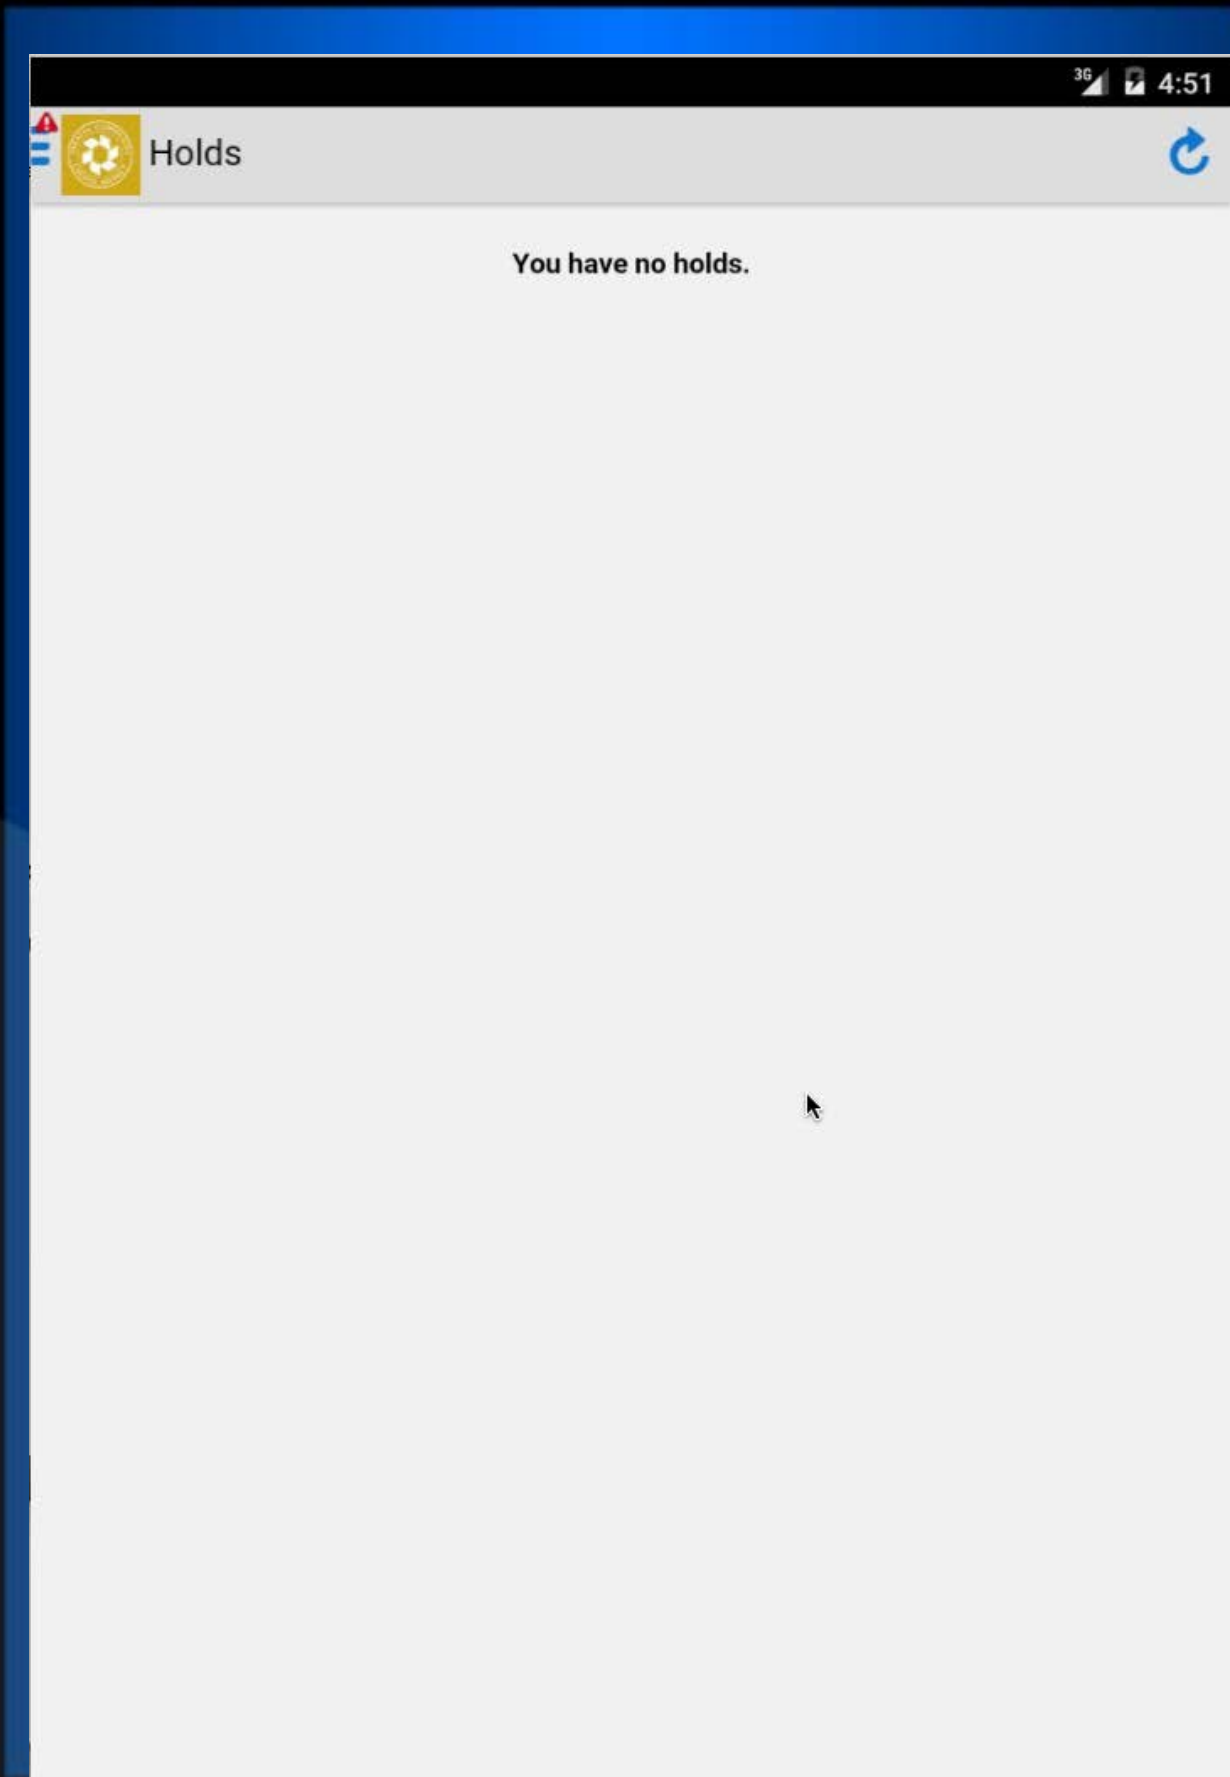

The springboard is a menu delivered with a default set of icons that represent each function provided by myCampus Mobile.

The springboard menu also includes the Logout functionality, which logs out of the application and shuts it down.

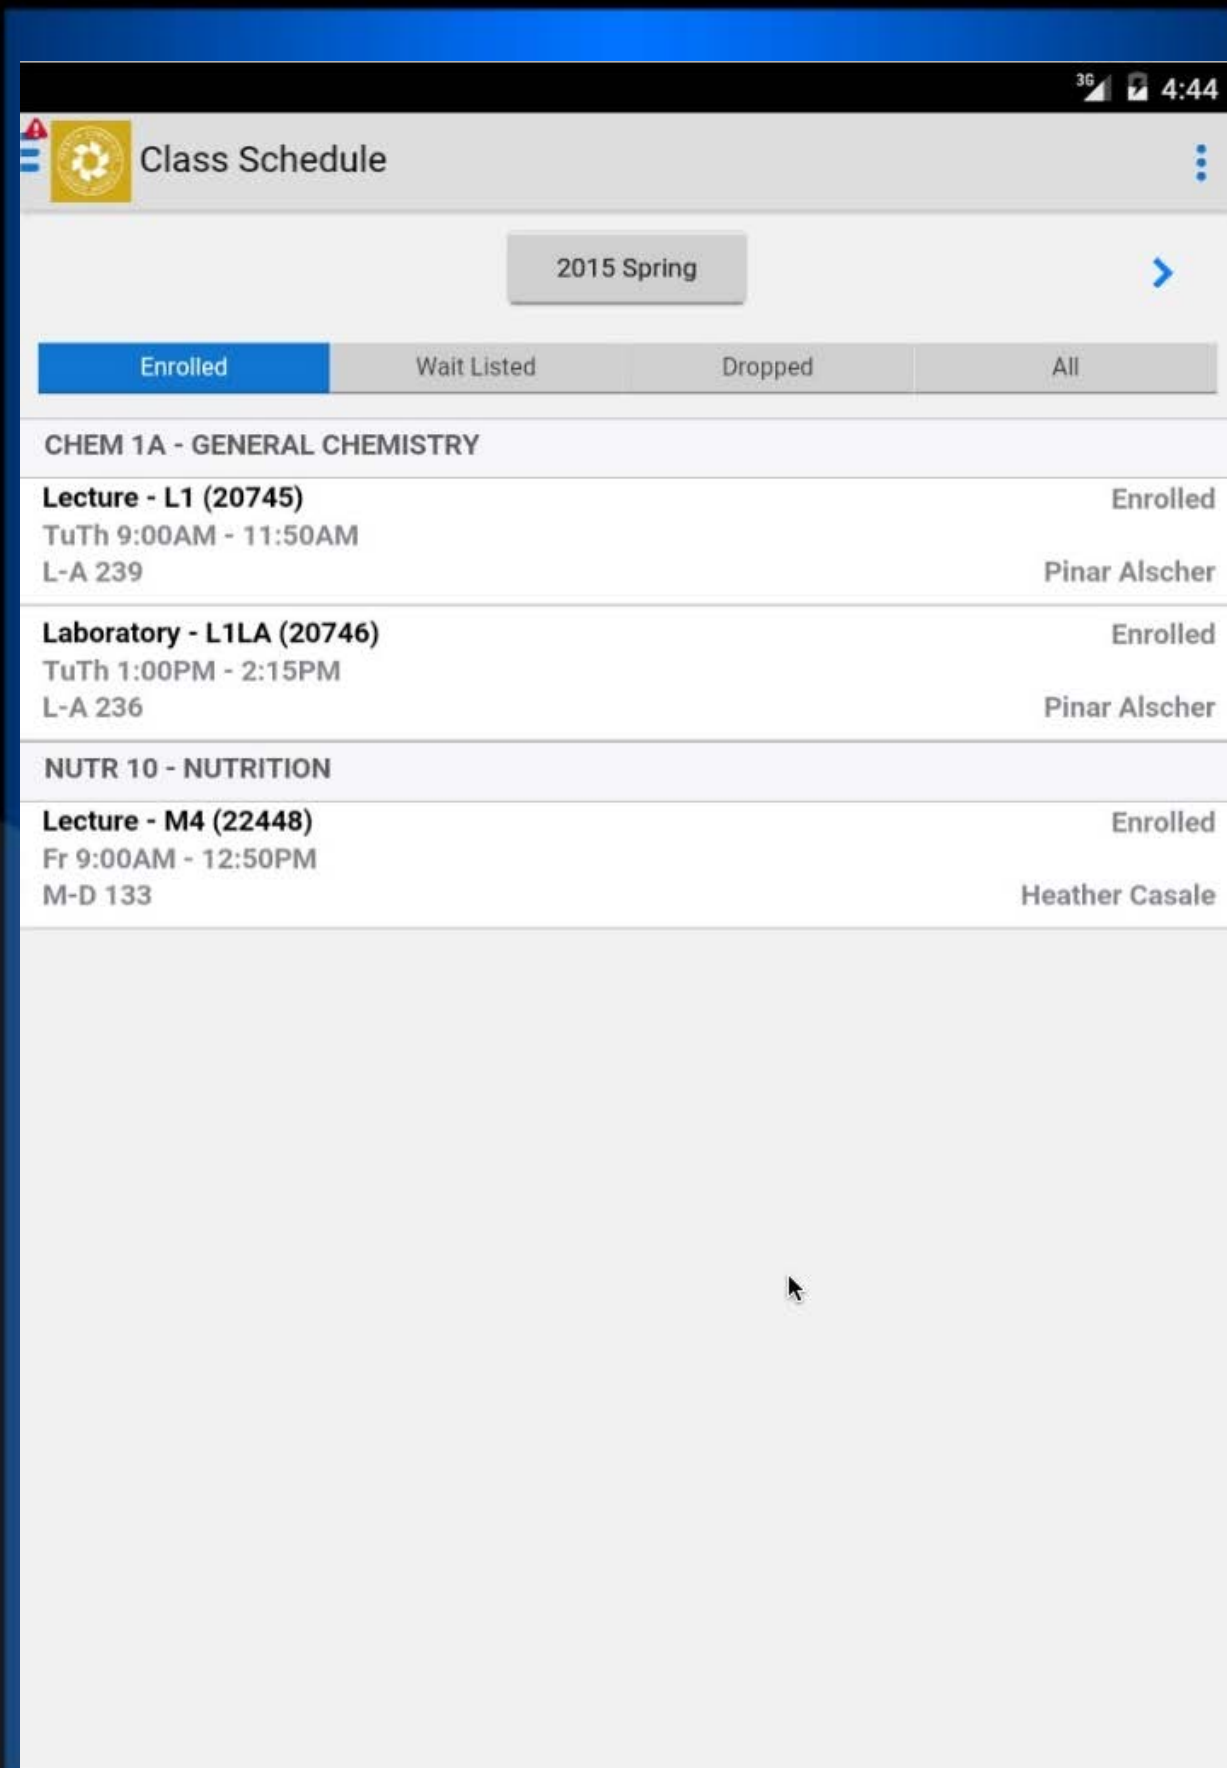

# Holds

The Holds feature provides a list of the student's holds (negative service indicators). The student can tap on one of the holds to view more details.

# Class Schedule

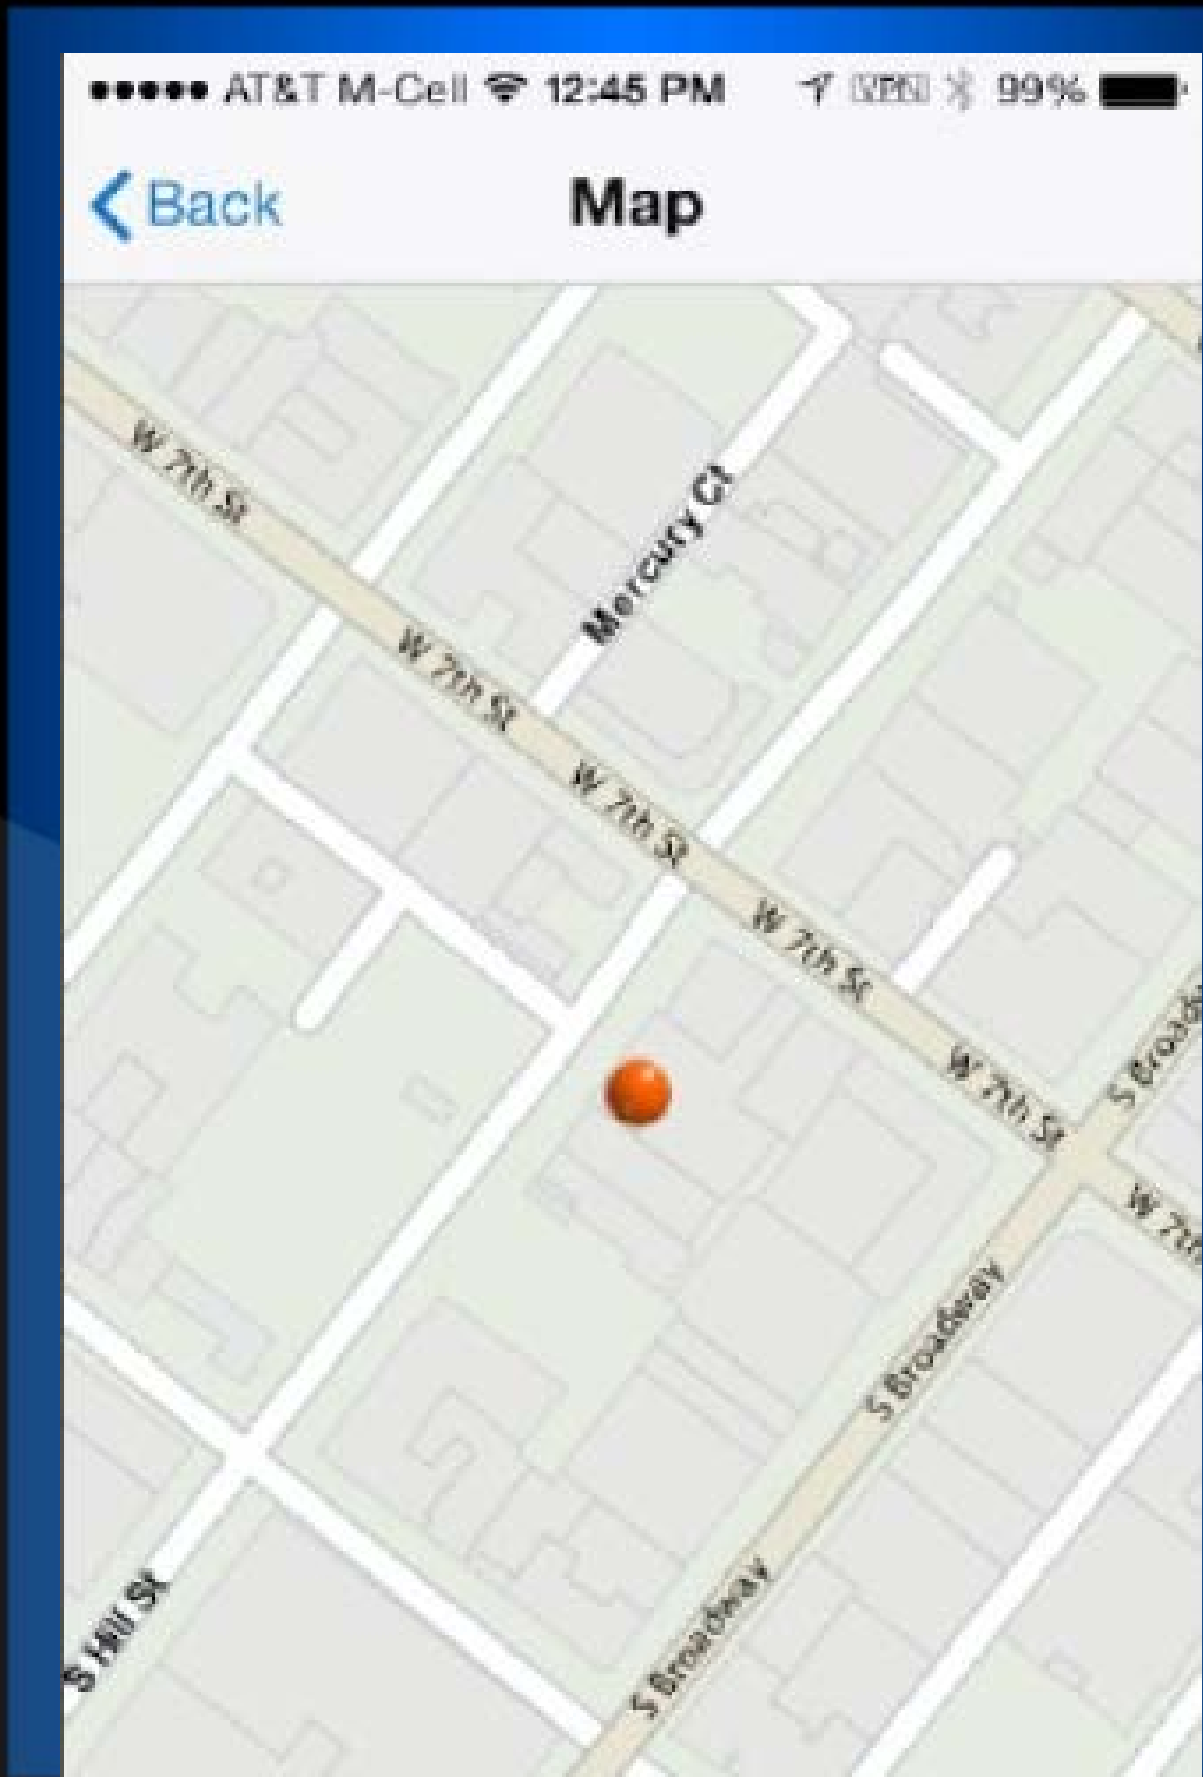

- View class attributes
- Map to building locations of classes
- View instructor contact information
- Drop classes
- Send an email to the instructor using the phone's mail client
- Tap the phone number to start a phone call to call the instructor

# Class Schedule – Mapping to Building Locations (Coming Soon)

If the latitude and longitude for the buildings are provided, Students can navigate to the class location.

Note: not yet configured for myPeralta

# Viewing Grades and GPA

- Enables a student to view official final grades by term

The screenshot shows a mobile application interface for viewing grades. At the top, there is a header with a gear icon and the word "Grades". Below this is a navigation bar with a back arrow and a button labeled "2015 Spring". The main content area is divided into sections: "GPA", "Courses", and a list of courses. The "GPA" section shows "Cumulative GPA" as 2.935 and "Term GPA" as 0.000. The "Courses" section lists "CHEM 1A" (GENERAL CHEMISTRY) and "NUTR 10" (NUTRITION).

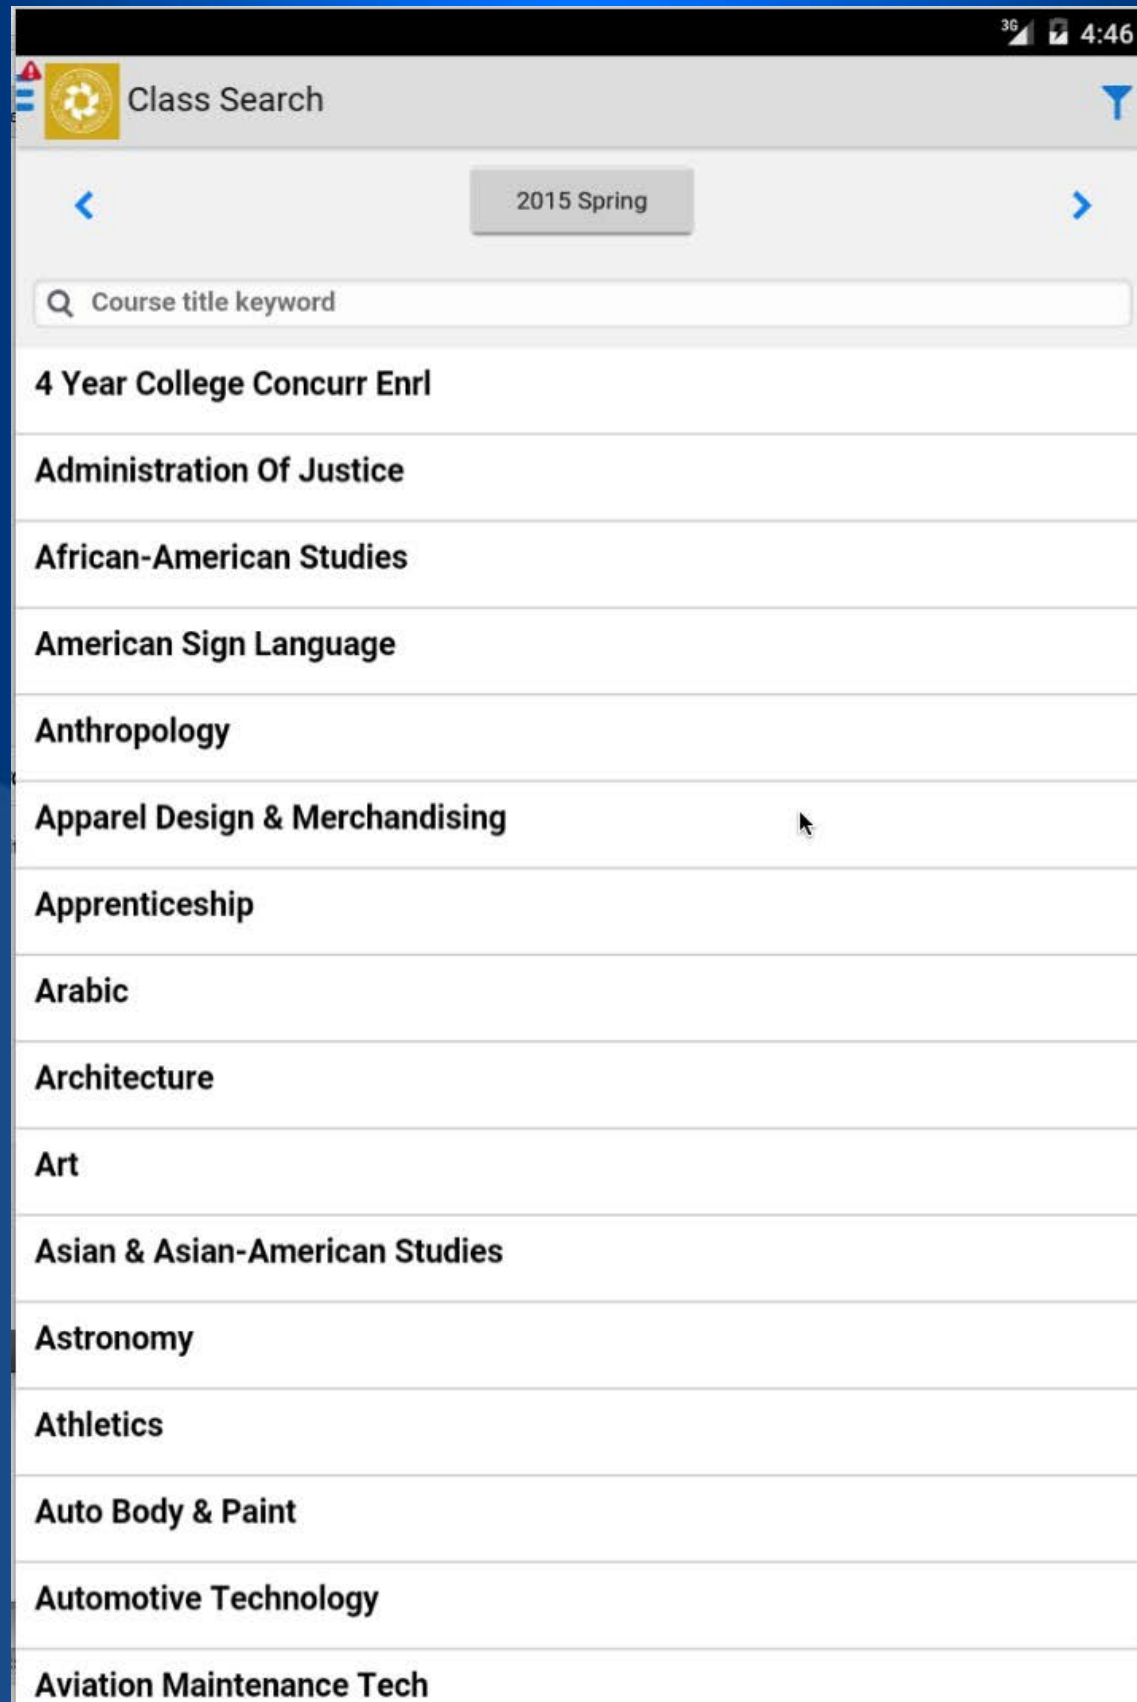

GPA	
Cumulative GPA	2.935
