

2014-15 Student Equity Distribution based on Budget Allocation Model (BAM) distribution formula.

Peralta Community College District received \$1,372,828 in Student Equity Funding for the 2014-15 fiscal year. This funding is to be used to close achievement gaps in access and success in underrepresented student groups, as identified in local student equity plans.

These funds will be used District wide and will help support the P.A.S.S. (Peralta Accountability for Student Success) Program.

Using the 2014-15 percentages of the BAM the allocation will be as follows:

Total Allocation for 2014-15 student equity	\$1,372,828.00	
% for Centralized Services & District Office	<u>\$342,108.74</u>	24.92%

<b><u>Amount to be allocated</u></b>	\$1,030,719.26
