FINANCIAL SERVICES

20. Consider Approval of the Nonresident Tuition Fee Increase **Presenter: Interim Vice Chancellor Rinne**

Consider approval of Resolution # 14/15-21 for the 2014-15 Nonresident Tuition Fee. Education Code Section 76140 requires the Board of Trustees to annually adopt the nonresident tuition fee for the next year by February 1st. Determination of this fee is based on the District's 2013-14 expense of education as prescribed under the Education code. It is recommended that the Board of Trustees approve the 2015-16 Nonresident Tuition Fee of **\$220.00** per semester unit. The current fee has been \$215. The worksheet used to arrive at the nonresident fee is attached. A statement noting that this fee will not be waived is included in the resolution. The Chancellor recommends approval.

22. Consider Approval of a Contract with Dolinka Group for the Audit of Redevelopment Agreements and Contracts **Presenter: Interim Vice Chancellor Rinne**

Consider approval of contract with the Dolinka Group to conduct an annual audit of redevelopment pass-through payments from all 24 redevelopment agreements the District has with the 5 former redevelopment agencies (Alameda, Albany, Berkeley, Emeryville, and Oakland) in fiscal years 2014/15 and 2015/16.

As part of the fiscal year 2011/12 State Budget Act, Assembly Billx1 26 (ABx1 26) was enacted which dissolved all of California's redevelopment agencies as of February 1, 2012. As part of the dissolution effort, cities and counties that had formed redevelopment agencies are required to work with other designated agencies, i.e. schools, community colleges, and other taxing agencies, to initiate the process described within ABx1 26 to unwind the affairs of the former redevelopment agencies, liquidate any remaining assets that may exist after the wind-down has occurred, and transfer any remaining assets to the appropriate agencies (i.e. schools and colleges).

Within Peralta's CCD's boundaries there were 5 redevelopment agencies. They included: Alameda, Albany, Berkeley, Emeryville, and Oakland. Within these 5 redevelopment agencies there were approximately 24 designated project areas with reported remaining obligations and assets in excess of \$2.2 billion.

As the unwinding of the former redevelopment agencies occurs, it is in the District's best interest to have an audit conducted to ensure that any past and future property tax amounts due to the District are identified and encumbered within the process so that the District's interests are secured. This audit engagement with the Dolinka group would extend through June 30, 2016 and would not exceed \$60,000. The Dolinka Group identified funds due to the District from property taxes through a prior contract with the District. They have a long history of providing redevelopment consulting services to local education agencies and have been recognized as the most comprehensive redevelopment service provider in the state. They have recently worked on a number of redevelopment studies for many other community college districts: Los Rios, Monterey Peninsula, Hartnell, Mt. SAC, San Diego, Mira Costa, Contra Costa, Rancho Santiago, Cerritos, Long Beach, Riverside, Mt. San Jacinto, as well as the State Chancellor's Office. The President and CEO of the Dolinka Group is Benjamin E. Dolinka.

All Board approved contracts are subject to final negotiation and execution by the Chancellor. The Chancellor recommends approval. **Funding source: Restricted General Fund – Fund61.**

The Certificate for Substantial Completion was issued on January 12, 2014 for the entire project. This resolution accepts the project as complete. The administration requests for a final acceptance of the project and release of the remaining 5% retention (\$10,500.00) to the contractor. There were no change orders on this project or a request for a time increase to complete the construction work. Final acceptance is to be filed as the date of this Board meeting. Approval to accept this project as completed and release of retention are recommended by the Chancellor.

All Board recommended contracts are subject to final negotiation and execution by the Chancellor. The Chancellor recommends approval. **Funding Source: Measure A.**

27. Consider Approval of Change Order No. 1 for Laney College Building "A" Installation of HVAC Split System, American Air Conditioning, Plumbing & Heating (Resolution 14/15-07). **Presenter: Vice Chancellor Ikharo.**

Approval is requested to the Change Order No. 1 to the contract with American Air Conditioning, Plumbing & Heating, in the amount of \$3,434.00. Approval of this change order will bring the total contract amount to \$105,258.10, which is 1.03% of the original contract amount of \$101,825.00. Change Order No. 1 is for shift differential construction work not included in the original project scope. The administration discussed the impact of construction work with occupants before the work started. As a result, the occupants requested for certain construction work to be completed after hours. The contractor and their sub-contractor completed construction work inside the building during the night and on weekends, as follows:

- Installed four (4) ceiling suspended air conditioning units;
- Core drilled through the roof slab to accommodate the existing air conditioning refrigerant lines, drain lines, electrical wiring, and digital controls.

It is in the best interests of the District and financially prudent to approve this change order. The anticipated completion date for the Project is January 31, 2015. The Chancellor recommends approval.

All Board recommended contracts are subject to final negotiation and execution by the Chancellor. The Chancellor recommends approval. **Funding Source: Measure E.**
