26. Consider Approval of Amendment #3 with KONE Inc. for the Installation of ADA Phone Devices at Merritt College, Laney College, College of Alameda, and the Installation of Isolation Pads at Berkeley City College. Presenter: Vice Chancellor Ikharo. Approval is requested for Amendment #3 with KONE Inc. for the installation of elevator ADA phone devices at Merritt College, Laney College, College of Alameda, and the installation of isolation pads at Berkeley City College, the amount not-to-exceed \$60,000. About one year ago when the Information Technology Department changed phones from the Mitel to Cisco VoIP, the elevator phones were not changed, which are required for ADA use. To achieve reliable phone connectivity to Peralta Police Services (PPS) and a two-way communication from inside the elevator cab to someone outside for assistance, KONE Inc. will install ADA phone devices. The existing ADA phone devices are over 25 years old and have exceeded its useful life, which cannot be programmed to be compatible with the new VOiP system. Therefore, the ADA phones need

to be replaced. KONE Inc. will furnish and install ADA compliant communication devices that meet the current California Code of Regulations (Title 24). After 11 years of constant use and pressure from the existing elevators, the existing isolation pads at Berkeley City College elevators have serious wear and tear. Therefore, they need to be replaced to completely eliminate structure-born noise and prevent damage to the building from the operation of the elevators. KONE Inc. will furnish the labor, materials, tools and supervision to perform the work on the three (3) group passenger elevators. They will provide a licensed crew team to replace new isolation pads on the elevator machine base and rope shackles, and remediate rust. The original contract (\$151,849.68) was approved on September 10, 2013; Amendment No. 1 (\$55,693) was approved on March 13, 2014; and Amendment #2 (\$87,574) was approved on November 15, 2016. If this Amendment is approved, then their total contract amount is \$354,677.68. The Chancellor recommends approval. Funding Source: General Fund and/or 30 Day Maintenance Fund.
