35. Consider Approval of Budget Transfer Report **Presenter: Vice Chancellor Little**

Consider approval of budget transfer report covering the period from October 24, 2015 through November 11, 2015. California Code of Regulations Section 58307 limits the District's expenditures to the amount appropriated for each major expenditure classification as approved by the Board of Trustees through the adoption of the District's annual budget or as amended by subsequent budget transfers or revisions. Due to this statutory control language, budget transfers that move budget authority between major object codes or classifications must be approved by the Board of Trustees. The budget transfers presented are requests originating from the Colleges' or District's departments during the ordinary course of operations and do not significantly alter the final budget that was approved by the Board of Trustees on September 8, 2015. The Chancellor recommends approval.

38. Request Board Approval of Contract between the District and Alliant Insurance Services, Inc. for Employee Benefits Insurance Consultant/Broker services effective December 9, 2015 through December 31, 2017, in the amount of \$115,000 per year. **Presenter: Vice Chancellor Largent**

On October 3, 2014, the District's former consultant/broker, PSW Benefits Resources, notified the District that owner Peter Wantuch was retiring on December 31, 2014, and as a result, PSW Benefits would cease its business operations.

The District initially sought to select new consultant/broker services through a Request for Proposal (RFP) process, in collaboration with representatives from the District's Health Benefits Committee, (representative of all constituency groups - Local 1021, Peralta Federation of Teachers, Local 39, Management, Confidential employees, and Retirees), who reviewed and provided feedback to the proposed scope of services, ranked bid materials, and reviewed work samples and deliverables. The Committee recommended that Alliant be retained for Employee Benefits Insurance Consultant/Broker services. Through the contract negotiation process, it was determined that the RFP requested services that are broader than what is currently required by the District. Accordingly, the District rejected all bids. The District assessed its current consultant/broker needs and negotiated with Alliant for Consultant/Broker services. The Chancellor recommends approval.

This is the final phase of work that the vendor will complete. No additional costs are part of this request. Therefore, there will be no change order to the original contract amount of \$1,300,723, as approved on February 17, 2015. The Chancellor recommends approval. **Funding Source: Measure A**

This time extension has no impact on the original contract amount of \$249,000, as approved on October 22, 2013 by the Governing Board of Trustees. The Chancellor recommends approval. **Funding Source: Measure A.**

43. Consider Approval of Amendment No. 1 for a Contract Time Extension until June 30, 2016 with Anthonio, Inc. for the Division of the State Architect (DSA) Certified Inspection Services on the Merritt College Barbara Lee Science and Allied Health Center (Bid No. 13-14/07). **Presenter: Vice Chancellor Ikharo**

The time extension is compensation for the time required for a separate contractor to complete related work before WE Lyons could finish, and to the accumulated impact of the change order work for WE Lyons on the base scope work for WE Lyons. The Chancellor recommends approval. Funding Source: Measure A.
