

BOARD POLICY 4226 MULTIPLE AND OVERLAPPING ENROLLMENTS

The Chancellor shall establish procedures to ensure that students may only enroll in multiple (two or more) sections of the same credit course during the same term if the length of the course provides that each section of the course ends before the next one begins.

The Peralta Community College District does not permit enrollment in two or more classes (sections) where the meeting times overlap. An overlap occurs when any part of the meeting time of two or more sections occurs on the same day and at the same time.
