Students may also use coursework from a nationally accredited institution for local (PCCD) associate degrees and certificates. However, these courses are not accepted by many four-year institutions and shall not be used to certify CSU General Education and/or IGETC (Intersegmental General Education Transfer Curriculum) requirements.

- B. Although PCCD may receive and apply coursework students earned at another regionally or nationally accredited institution towards specified program, general education, and/or elective unit requirements for the PCCD degree, PCCD cannot guarantee the same coursework will transfer and be used for the same requirements at another institution. However, students may not use coursework from a nationally accredited institution to satisfy program, general education, or elective requirements for an AS-T or AA-T degree (see section I.C. above).

- D. Students who have earned a degree(s) from a foreign institution(s) must have a foreign transcript evaluation service evaluate their degree(s). If the service certifies that the student's degree is the equivalent of a regionally accredited U.S. Bachelor's degree, the student will not be required to complete Peralta Community College District's associate degree general education requirements.
