Type
Information
At this time, the Board of Trustees will listen to communication from the public on matters that are not on the agenda and are within the Board’s jurisdiction. Under provisions of the Brown Act, the Board and District staff are prohibited from discussing or taking action on oral requests that are not part of the agenda, but may respond briefly. A maximum of 15 minutes (up to 3 minutes per individual) will be provided for speakers under this agenda section, at the Board President’s discretion. A speaker’s card must be completed to request to address the Board. Requests to speak which cannot be honored within the time limit will be scheduled for subsequent meetings in the order received. Persons addressing items included on the agenda will be heard at the time the item is considered, and comments on tangential issues not directly related to the item may be ruled out of order. Cards must be received prior to the Board’s consideration of the item and are honored in the order the cards are received. A speaker may yield time to another speaker up to a limit of 6 additional minutes,
with no more than 5 speakers on the issue, where both have completed a speaker’s card, and the yielder must identify him/herself to the Board. Speakers are asked to submit any materials to the Board Clerk and shall not approach the dais during meetings. (Please line-up when your name is called.) Further direction is provided in Board Policy and Administrative Procedure 2345 Public Participation at Board Meetings.

Recommended Action

Ratify a contract in the amount of $100,286 with Warden Legal to complete and oversee investigations for designated complaints.

TO:   Members of the Board of Trustees
FROM: Dr. Regina Stanback Stroud, Chancellor
PREPARED BY: Dr. Regina Stanback Stroud

ESTABLISH CONTRACT SERVICES FOR LEGAL OVERSIGHT AND INVESTIGATION

BACKGROUND/ANALYSIS:
PCCD has a number of legal matters that require the implementation of investigative processes beyond those overseen by Human Resources Department. A request for a quotation for services to oversee and complete the process for some designated complaints was submitted to 5 firms. Four responses were received.

- Eugene Whitlock, J.D.
- Delisle Warden of Warden legal
- Namita Brown of Fagen, Freidman and Fulfrost
- Vincent Tong of Tong Law

The summary of the quotations is attached. Tong Law did not provide a quotation, indicating they did not provide the type of services requested. Warden Legal provided the most comprehensive and most economically competitive quotation. Because this vendor has worked with PCCD in the past, this request is classified as a ratification. The work of this contract has not been started and will only start with board approval. The process of seeking proposals has been completed and was not bypassed despite this being a ratification.

**DELEVERABLES AND SCOPE OF WORK:**

- Oversee and complete the investigation processes for specified complaints
- Execute further evaluation of Legal affairs practices

**ANTICIPATED COMPLETION DATE:**

January 13, 2020 - June 30, 2020 (Monday-Friday)

**EVALUATION AND RECOMMENDED ACTION:**

The Chancellor recommends the board approve the attached Contract for legal services.

_The Chancellor has evaluated the deliverables to date for Warden Legal and found them to be satisfactory._

**File Attachments**

Budget Source
Gateway to College program

Recommended Action

Approve a Contract Revision and extension in the amount of $17,000 with Terry Watson to continue providing Math tutoring coordination services to Gateway to College.

Background/Analysis:

Terry Watson has served student in the Gateway to College program for several terms and is now providing support and coordination for the Math tutoring component. In the absence of both a program director and a dedicated counselor, he provided services to the program above and beyond the initial expectations, and with no director an aspect of the deliverables detailed below were unrealizable. Thus the initial contract for the Fall 2019 term did not provide adequate time for completion or compensation for services that were actually rendered. This is a request to retroactively increase his compensation. Additionally, this is a request to extend his contract through the Spring 2020 term. The initial contract dollar value was $13,000.00; if approved he will receive an additional $17,000.00 for an annual total of $30,000.00. Please see below for initial, extended and total values for this contract:

<table>
<thead>
<tr>
<th>Contract Value Fall 2019</th>
<th>Contract Value Spring 2020</th>
<th>Total Value FY 19-20</th>
</tr>
</thead>
<tbody>
<tr>
<td>$13,000.00</td>
<td>$17,000.00</td>
<td>$30,000.00</td>
</tr>
</tbody>
</table>

Deliverables and Scope of Work:

Work with the program director to develop and implement a comprehensive tutoring model aligned with the gateway to College National model

Develop and maintain a student contact/intervention database

Anticipated Completion Date:

5/30/2020

Evaluation and Recommended Action:

The Laney College Enrollment Services Department has evaluated the deliverables to date for Terry Watson and found them to be satisfactory.

The Chancellor recommends approval.

Jan 07, 2020

Absolute Date

Jan 07, 2020

Recommended Action

Approve a Contract Revision and extension in the amount of $17,000 with Patricia Ong to continue providing Student Retention services to Gateway to College.

Background/Analysis:

Patricia Ong has served student in the Gateway to College program for several terms and is now providing support and coordination for the student retention and persistence component. In the absence of both a program director and a dedicated counselor, she provided services to the program above and beyond the initial expectations, and with no director an aspect of the deliverables detailed below were unrealizable. Thus the initial contract for the Fall 2019 term did not provide adequate time for completion or compensation for services that were actually rendered. This is a request to retroactively increase her compensation. Additionally, this is a request to extend her contract through the Spring 2020 term. The initial contract dollar value was $13,000.00; if approved she will receive an additional $17,000.00 for an annual total of $30,000.00. See summary of initial, additional, and total values below:

Approve Change Order No. 1 to the May 2019 Contract with J.H. Fitzmaurice, Inc., to Deduct $466.34 from the Laney College Music Room & Swimming Pool ADA Modification Project and Extend the Contract Completion Date to February 29, 2020.

TO: Members of the Board of Trustees
FROM: Dr. Regina Stanback Stroud, Chancellor
PREPARED BY: Leigh Sata, Interim Vice Chancellor of General Services

CHANGE ORDER NO. 1 – J.H. FITZMAURICE, INC.

BACKGROUND/ANALYSIS:

On May 14, 2019, the Board of Trustees adopted Resolution 18/19-66, which authorized District staff to take necessary measures required to expedite the retention of service providers required to ensure timely compliance with the provisions of the consent decree issued in the Payne v. Peralta civil action. Accordingly, an ADA Compliance Strike Team was convened in order to ensure the District performed the remedial measures, and created the administrative procedures, outlined in the Amended Consent Decree and “Exhibit B” thereto, in a timely manner.

Under the direction of Vice Chancellor Sata the ADA Compliance Strike Team solicited a proposal from J.H. Fitzmaurice Inc. for construction of three (3) chair lifts, specifically the Laney Music Room G-189 and the Swimming Pool Chair Lift, pursuant to Peralta Community College District Resolution 18/19-66 to, "Expedite the retention of experts for purposes of completing work as provided in the Amended Consent Decree."

The Laney College Music Room & Swimming Pool ADA Modification Project (Agreement for Construction Services) with J.H. Fitzmaurice, Inc., in the amount of $283,205.24 was ratified and approved by the District’s Board on May 28, 2019. The scope of services under the Agreement included bringing the Laney College Music Room and Swimming Pool lifts into ADA compliance.

Change Order #1 amends the contract to reduce the contract total with a credit back to the District for the remaining balance of the Project contingency fee and extends the contract completion date to February 29, 2020. All Work is complete, thus the contract end date would be extended in order to complete final payments to contractor.

<table>

</tbody>
</table>
Sub-Total: \( \text{($466.34)} \)

Grand Total: \( \$282,738.90 \)

Cumulative Change Orders as a percentage of Contract \( (0.16\%) \)

DELIVERABLES AND SCOPE OF WORK:

Construction contract included:

- Demolition and removal of existing chair lifts
- Furnishing and installation of upper platform metal guardrail
- Rebuilding and restoration lift areas, building wall and curb platforms to meet code requirements
- Raising steps 1" to 2" as shown in specification drawings
- Installation of new floor coverings
- Coordination and scheduling subcontractor installation of new chair lifts
- Relocation of power supply and hook up for new chair lifts

Scope of work also included any asbestos abatement, HC lifts by Owner's subcontractor, and permit fees. Not-to-Exceed price included a $20,000.00 project contingency fee, of which $466.34 would be credited to the District if Change Order #1 is approved.

ANTICIPATED COMPLETION DATE:

EVALUATION AND RECOMMENDED ACTION:

The Chancellor recommends approval of Change Order No. 1 to the Contract with J.H. Fitzmaurice, Inc. to deduct $466.34 from the Laney College Music Room & Swimming Pool ADA Modification Project and extend the contract completion date to February 29, 2020.

All matters listed under the Consent Calendar are considered by the Board of Trustees to be routine or sufficiently supported by back-up information as to not require additional discussion. Recommended Action
Approve Change Order No. 1 to the Independent Contractor/Consultant Contract with Justipher, Inc., dba Fast Signs Oakland, to extend the contract completion date to February 29, 2020 (non-compensable). This approval is authorized by Resolution No. 18/19-66 in Support of Compliance with the Amended Consent Decree in the Payne v. Peralta civil action and is required to ensure that the District

BACKGROUND/ANALYSIS:

On May 14, 2019, the Board of Trustees adopted Resolution 18/19-66 authorizing the District to take the necessary measures to expedite the retention of service providers needed to ensure compliance with the provisions of the Amended Consent Decree issued in the Payne v. Peralta civil action. The Board of Trustees also approved the Vice Chancellor’s formation of the ADA Compliance Strike Team to ensure the District performed the remedial measures required under the Amended Consent Decree in a timely manner. Several of the remedial measures specified in the Amended Consent Decree relate to providing the appropriate ADA compliant campus wide signage on the Laney College Campus. The ADA Compliance Strike Team solicited a proposal from Justipher, Inc., dba Fast Signs Oakland for the fabrication and installation of ADA refresh signs for the Laney Emergency ADA project, specifically at the Laney Music Building, Theater and Student Center. The contract is necessary to ensure District compliance with the ADA, Title 24, and the Amended Consent Decree.

Justipher, Inc., dba Fast Signs Oakland, has done work at the District for several years. Justipher, Inc., dba Fast Signs Oakland, is located at 1901 Franklin Street, Oakland, CA 94612. Michelle Darnell is the Senior Account Manager for the company.

Justipher, Inc., dba Fast Signs Oakland, has two contracts, including this contract, with the District that are listed in the table below.

Approve of Amendment No. 1 for a Contract Time Extension with PLACEMAKERS Land Use and Environmental Planning for the Provision of CEQA (California Environmental Quality Act) Services for the Laney College Library Learning Resource Center, with no fiscal impact.

Background/Analysis:

At the Regular Board Meeting on February 5, 2019, the Board of Trustees approved an independent consultant agreement for professional services with PLACEMAKERS Land Use and Environmental Planning for the provision of California Environmental Quality Act services for the Laney College Library Learning Resource Center, in the amount of not-to-exceed $77,950.00. The services describe under the agreement, entered into as of February 6, 2019, were not completed before the contract expiration date of July 6, 2019. Details of deliverables are described below. Amendment No. 1 will extend the agreement to June 30, 2020, to accommodate payment to the vendor for completed services.

PLACEMAKERS Land Use and Environmental Planning
Email: pjplacemakers@gmail.com

PLACEMAKERS is a woman owned company. The principal partner is Patricia Jeffery, AICP.

Deliverables and Scope of Work:

To inform the public of the significant environmental effects, if any, of the proposed Laney College Library Learning Resource Center, the administration contracted with PLACEMAKERS in February 2019 to provide California Environmental Quality Act (CEQA) Services (Attachment #1). The CEQA deliverables served to enhance public participation in the environmental review process through scoping meetings, public notice, public review, hearings, and the jurisdictional process. PLACEMAKERS developed the Initial Study (IS), Mitigated Negative Declaration (MND), Mitigation Monitoring and Reporting Program (MMRP), CEQA notices and assisted the District in responding to public input on the DRAFT MND/IS. To achieve these studies, PLACEMAKERS performed/is performing the following scope of work under the contract:

| Task 1: | Prepare and submit a data request list and CEQA schedule for the Learning Resource Center (LRC); |

| Task 2: | Site visitation and analysis; |
| Task 3: | Define project description to include the location map, existing campus plan, project site plan, building elevations; |
| Task 4: | Develop a Draft of MND/IS to include the following environmental topics: aesthetics, agricultural resources, air quality and greenhouse gas emissions, biological resources, cultural resources, geology and soils, hazards and hazardous materials, hydrology and water quality, land use and planning, mineral resources, noise, population and housing, public services, transportation and circulation, and utilities and service systems; |
| Task 5: | Publicize the Draft MND/IS to include revisions, prepare a Notice of Intent to adopt the Mitigated Negative Declaration (NOI); |
| Task 6: | Attend one meeting with the architect and District, and one public hearing; |
| Task 7: | Respond to public comments; |
| Task 8: | Prepare MMRP to identify actions to implement mitigation measures; and |
| Task 9: | Prepare and deliver the Notice of Determinations (NOD) to the District to submit to the Alameda County Clerk and the CA Office of Planning and Research. |

**Anticipated Completion Date:**

The services describe under the February 6th agreement were not completed before the contract expiration date of July 6, 2019. Details of deliverables are described above. Amendment No. 1 will extend the agreement to June 30, 2020, to accommodate payment to the vendor for completed services.

**Evaluation and Recommended Action:**

The Administration has reviewed the current services being provided from this vendor and found them to be satisfactory. The Director of Facilities, Planning, and Development and Vice Chancellor of General Services recommend approval of Amendment No. 1 to Independent Consultant Agreement for Professional Services Provision of CEQA Services for the Laney College Library Learning Resource Center for a Contract Time Extension with PLACEMAKERS Land Use and Environmental Planning, with no fiscal impact.

Recommended Action

Approve Amendment No. 3 to the existing Agreement for Contracted Services with PACIFIC COAST TRANE to extend the contract term to 6/30/20 for the District-wide Scheduled Maintenance HVAC Repairs, Replacement, and Services.

Background/Analysis:

The Governing Board of Trustees approved the original Agreement for Contracted Services between PACIFIC COAST TRANE and the PERALTA COMMUNITY COLLEGE DISTRICT on 12/13/16 for the contractor to work on 2014/2015 and 2015/2016 HVAC Scheduled Maintenance projects at College of Alameda, District Administration Center, Berkeley City College, Laney College, and Merritt College. The original not-to-exceed compensation amount for these services was $295,543.00, and the completion date for the contracted services was 6/30/17. The contract amount was based on estimated bids received in the 2014/2015 fiscal year.

The District's Board approved Amendment No. 1 to the Agreement at its regularly scheduled Board Meeting on 6/13/2017, which was entered on 6/14/17 to allow for increases in the allowance for additional scope of work to include prevailing wage, on an as needed basis, by the District. This increased the contract in the amount not-to-exceed $98,772.00 and extended the time for completion to 6/30/18. The additional scope was added specifically to address negative air pressure at Laney College (Bistro Restaurant) Building E, and repairs to the water source heat pump system boiler at the District Administration Center. This additional scope project was completed by 6/30/18.

The District's Board approved Amendment No. 2 to the Agreement at its regularly scheduled Board Meeting on 2/26/19. Amendment No. 2 addresses two urgent repair items that occurred during the time period covered by Amendment No. 1. Amendment No. 2 increased the contract in the not-to-exceed amount of $56,483 and extended the time for completion to 6/30/19. Both additional urgent project scope items have been completed. Payments have been made to the contractor for services provided.

Between the date of Board approval for Amendment No. 2 (2/26/19) and the date of final execution by the District (7/17/19), all parties within Trane Management ceased working for the company, which caused disruption in delivery of the contracted services. Furthermore, issues with payment resulted in placing the project on hold. Services per the original Agreement still need to be performed by the contractor, and a time extension is requested to perform such services. The specific remaining services for contractor to perform are described below. The value of the remaining two projects is approximately $150,020.00. Materials have been ordered and are in the process of being delivered to the site. No additional monies are needed for the contract, only time. The additional 365 days of time
extension being addressed under Amendment No. 3 will extend the contract to June 30, 2020. The additional time is non-compensable as the contractor will be required to perform the remaining services, described below, within the existing not-to-exceed contract amount.

A summary of the original contract amount and amendments are noted below and are attached.

**Deliverables and Scope of Work:**

1. College of Alameda Aviation School, Hangar A, Heating, Ventilation and Air-Conditioning Unit Replacement. Removal of two (2) existing rooftop Air Handling Units (AHU) and installation of two (2) new rooftop AHUs. All piping and electrical included.

2. College of Alameda Aviation School, Hangar B. Removal of ten (10) existing fan coil units throughout the space and installation of ten (10) new fan coil units. All piping and electrical included.

**Anticipated Completion Date:**

The project is expected to be completed by 6/30/20.

**Evaluation and Recommended Action:**

The Facilities Project Manager, Vice Chancellor for Department of General Services, Director of Finance and Administration, and Chancellor recommend the approval of Amendment No. 3 to extend the contract term until 6/30/20 of the existing Agreement for Contracted Services with PACIFIC COAST TRANE for the District-wide Scheduled Maintenance HVAC Repairs, Replacement Services.

Recommended Action
Approve Amendment No. 4 to the Agreement for Professional Services with Taylor Design to convert the existing schematic design documents into design/build delivery design criteria documents, add costs of not-to-exceed $99,200.00 for design build criteria documents and not-to-exceed $32,500.00 for [allowance] early-construction and peer review services, for a total of not-to-exceed $131,700.00 to the contract amount, and extend the contract time by 177 days for the Locker Room Title IX Project at Laney College.

Background/Analysis:
Pursuant to Request for Proposals 16-17/10, the District entered into an Agreement for Professional Services with Taylor Design to provide architectural design services on the Locker Room Title IX Project at Laney College on January 24, 2017. The original value of the contract was for $188,460.00 and had a completion date of December 31, 2018. At that time, the Locker Room project was limited to addressing the facilities corrections required by the Resolution Agreement associated with the Office of Civil Rights case No. 09-14-2331. The Resolution Agreement focused exclusively on improving services and facilities to support female athletes.

Subsequent to the approval of the District’s original Agreement with Taylor Design, the District decided to consider a more comprehensive project to improve the general locker room suites in addition to making improvements in locker room facilities directly associated with the women’s sports teams. The change in the project’s scope was formally documented by two amendments to the Agreement.

Amendment No. 1 to the Agreement, approved by the Board on September 12, 2017, increased the scope of services with the addition of a feasibility study for an additional $79,095.00. The deliverables for Amendment No. 1 included programming, evaluation of existing conditions, analysis of code compliance,
conceptual design, and cost estimating to support decision-making regarding a potential project at the Locker Room facility. The new contract amount was $267,555.00.

Amendment No. 2 to the Agreement, approved by the Board on March 26, 2019, clarified and reduced the scope of Services under the original Agreement and reduced the cost by $8,824.27. Amendment No. 2 also extended the completion date of the Agreement by 141 days to May 21, 2019. Amendment No. 3 to the Agreement, approved by the Board on October 8, 2019, further extended the completion date by 132 calendar days to September 30, 2019. Additional time was needed to ensure that the completed schematic design reflected the input received from the participating stakeholders and Laney College user groups.

Amendment No. 4 to the Agreement, (this item) adds to the scope of services to include the conversion of the existing Schematic Design level documents (prepared for original Design/Bid/Build contract delivery method) into design criteria documents for project delivery as a Design/Build procurement. The additional cost for the design services adds $99,200.00 to the existing contract amount (which includes $4,000 in estimated reimbursable expenses) and the additional cost for the early-construction and peer review allowance services adds $32,500.00 to the existing contract amount, for a total additional cost of $131,700.00. Amendment No. 4 further extends the completion date by 177 calendar days to March 25, 2020.

A summary of the original contract amount and amendments are noted below and are attached.

</table>

Time is of the essence for the completion of this design work as it is another step toward the District’s response to the public complaint (civil lawsuit) regarding the locker rooms that are not in compliance with Title IX requirements. Taylor Design is the firm that has provided the project feasibility study and prepared the existing Schematic Design documents for the Locker Room renovation project when it was first intended to be delivered by Design/Bid/Build delivery method. Having Taylor Design continue as the architect to convert the current documents into Design/Build delivery method design criteria documents will save the District both time and cost based upon greater project efficiency due to familiarity with the project. Additionally, the Taylor Design team and their consultants that will be assigned to this project are very experienced in Design/Build project delivery. Bringing in another firm at this time will result in delays to the construction schedule, which in effect will delay when the Office of Civil Rights complaints are addressed.
The time extension of 177 days takes into account the hold currently in place for the project that followed the completion of the current Schematic Design documents (completed in July 2019). The additional time accounts for this lag time in restarting the project with an anticipated start date in early January 2020 and anticipated work completion date of March 25, 2020.

**Deliverables and Scope of Work:**

Amendment No. 4 - The deliverables and scope of work include converting the existing schematic design documents into design/build delivery design criteria documents and an allowance for early-construction administration evaluation and peer review. The total added cost to the existing Agreement is $131,700.00 (Design Build Criteria Document Phase: $99,200.00 + Allowance for Early Construction and Peer Review Phase: $32,500.00), and the completion date is extended 177 days until March 25, 2020.

The project objective is to develop criteria documents for the full renovation of the existing locker room space and provide new general men’s and women’s locker rooms and three new women’s team rooms to address the needs and concerns which were discovered during the Schematic Design Phase. An additional project objective is to replace or renew the building systems to extend the usable life of the facility.

**Anticipated Completion Date:**

Project will be completed by March 25, 2020.

**Evaluation and Recommended Action:**

The Facilities Project Manager, Vice Chancellor for Department of General Services, Director of Finance and Administration, and Chancellor recommend the approval of Amendment No. 4 to the Agreement for Professional Services with Taylor Design to add the scope of services to include the conversion of the existing Schematic Design level documents (prepared for original Design/Bid/Build contract delivery method) into design criteria documents for project delivery as a Design/Build procurement. The additional cost for the design services adds a total of $131,700.00 (Design Build Criteria Document Phase: $99,200.00 + Allowance for Early Construction and Peer Review Phase: $32,500.00) to the existing contract amount and extends the completion date by 177 calendar days to March 25, 2020 for the Locker Room Title IX Project at Laney College.

Measure A

Recommended Action
Ratify Agreement for Construction Services with ACCO Engineered Systems, Commencing December 10, 2019, for Upgrades and Diagnostic Services of Mechanical Systems for Buildings A, B, D, E, F, G, LK, Field House, Gymnasium, and Tower at Laney College in the Not-to-Exceed (NTE) amount of $210,000.00. This ratification is authorized by Resolution No. 18/19-66 in Support of Compliance with the Amended Consent Decree in the Payne v. Peralta civil action and is required to ensure that the District is in compliance with the terms of the Amended Consent Decree.

Background/Analysis:

On May 14, 2019, the Board of Trustees adopted Resolution 18/19-66 which authorized District staff to take necessary measures required to expedite the retention of service providers required to ensure timely compliance with the provisions of the consent decree issued in the Payne v. Peralta civil action.

Accordingly, under the direction of Vice Chancellor Sata an ADA Compliance Strike Team was convened in order to ensure the District performed the remedial measures, and created the administrative procedures, outlined in the Amended Consent Decree in a timely manner.

Several of the remedial measures specified in the Amended Consent Decree relate to the retention of an outside contractor to inspect, upgrade, and maintain the exterior and ADA piddled doors and related mechanical systems on the Laney College Campus. Consequently, the ADA Compliance Strike Team solicited a proposal from ACCO Engineered Systems for upgrade and diagnostic services of related mechanical systems for Buildings A, B, D, E, F, G, LK, the Field House, Gymnasium, and Tower. The vendor was solicited pursuant to Peralta Community College District Resolution 18/19-66 to, "Expedite the retention of experts for purposes of completing work as provided in the Amended Consent Decree." The Contract is necessary to ensure District compliance with the ADA, Title 24, and the Consent Decree.

Deliverables and Scope of Work:

Mechanical Systems Diagnostic:

- Job walk and field survey
- Generate lists of materials and upgrades needed
- Work is based on 2 service technicians for 8 hours in each mechanical room

Mechanical Systems Upgrade:

- Order material, pickup and deliver material to jobsite
- Perform upgrades needed in mechanical rooms for pressurized issues
- Approximate upgrades per building is based on 2 technicians for 3 days per building

Materials cost is not included. All materials requirements will be determined during field surveys.

The Contract pricing is composed of the following components:

<table>
<thead>
<tr>
<th>Description of Work</th>
<th>Not-to-Exceed Amount</th>
<th>Date of Ratification</th>
</tr>
</thead>
<tbody>
<tr>
<td>Mechanical Systems Diagnosis</td>
<td>$30,000.00</td>

<td>$90,000.00</td>
<td>Pending Ratification 1/7/2020</td>
</tr>
<tr>
<td>Material for Systems Upgrade</td>
<td>$90,000.00</td>
<td>Pending Ratification 1/7/2020</td>
</tr>
<tr>
<td><strong>TOTAL</strong></td>
<td><strong>$210,000.00</strong></td>
<td></td>
</tr>
</tbody>
</table>

Anticipated Completion Date:

Per the Agreement, diagnosis of existing mechanical systems shall be completed by December 18, 2019. By December 23, 2019, ACCO will prepare a schedule for completion of the remaining Work under the
Contract. Per the Agreement, the contractor will take all steps within their power to complete the upgrade work by December 31, 2019.

**Evaluation and Recommended Action:**

The Vice Chancellor of General Services, Vice Chancellor of Finance and Administration and Chancellor recommend approval of the ACCO Engineered Systems ratification of Agreement for Contracted Services, Commencing December 10, 2019, for upgrade and diagnostic services of mechanical systems for buildings A, B, D, E, F, G, LK, the Field House, Gymnasium, and Tower at Laney College.

Recommended Action
Ratify Agreement for Contracted Services and Change Order No. 1 to the Agreement for Contracted Services with Rosendin Electric for providing a generator to restore power to the Diesel Mechanics Building at the College of Alameda in an amount not-to-exceed $39,286.00.

**Background/Analysis:**

On or about August 9, 2019, the Diesel Mechanics Building at the College of Alameda experienced a complete failure of power. Because classes were scheduled to begin within a week, an agreement for services was initiated immediately, providing a generator for temporary power until a permanent solution was found. The Agreement for Contracted Services with Rosendin Electric, dated August 9, 2019, was executed on August 14, 2019, with approval by the Acting Chancellor in the amount of $14,500.00. Rosendin was able to install the generator before classes began on August 16, 2019. The contract amount was based on a preliminary schedule and estimate of the work.

Rosendin Electric was selected to provide the services because they were performing similar work at Laney College for an emergency electrical repair project, which involved restoring power to the Student Center and Building F. They were deemed qualified for the services at College of Alameda based on their ability to diagnose and resolve catastrophic power failures in a timely manner.

After the initial diagnosis of the issue, the work in connection with the failure of power required more time than estimated. Power was restored to the Diesel Mechanics Building on October 14, 2019. The generator was removed from the site and the electrical issues were successfully resolved. This change order represents the additional costs of the actual time the generator was needed beyond the original estimated timeframe.

As summarized below, Change Order #1 is the only and final change order related to the project, and the project is now in the process of being closed.

</tbody>
</table>
Deliverables and Scope of Work:

1. Provide, place, and dismantle temporary generator for Diesel Mechanics Building.
2. Refuel as necessary until power is permanently restored to the building. Time frame was from August 14, 2019 to October 14, 2019 (2 months).

Anticipated Completion Date:

Project was complete on October 14, 2019.

Evaluation and Recommended Action:

The College President and Chancellor recommend ratification of the Agreement for Contracted Services and Change Order No. 1 to the Agreement for Contracted Services with Rosendin Electric for providing a generator to restore power to the Diesel Mechanics Building at the College of Alameda in an amount not-to-exceed $39,286.00.

Fund 63 Measure A

Recommended Action

Ratify Amendment No. 1 to the Purchase Agreement for Fire Alarm Emergency Panel Repairs with Johnson Controls Fire Protection LP to Add Four Annunciator Panels in an amount not to exceed $78,000.00.

Background/Analysis:

In January 2019, the Oakland Fire Department ("OFD") performed a fire safety inspection at Laney College and at Merritt College. OFD directed the District to provide fire watch at both Laney College and Merritt College until required corrections are completed.

The District contracted with Johnson Controls in September 2019 to implement some of the required corrections, including the replacement of four fire alarm panels: one each at Laney Building D, Laney Building N (Childcare), Merritt Building A (Childcare), and Merritt Building H (Horticulture). Johnson Controls has replaced those four panels.

Subsequently, as part of OFD's review and approval of the replacement fire alarm panels, OFD also required the District to add four annunciator panels to the fire alarm system (one at each of the four locations receiving replacement fire alarm panels). Amendment No. 1 will incorporate the annunciator panel scope of work into the existing Agreement to replace the four fire alarm panels.

The existing fire alarm system is to a large extent proprietary, which limits the District’s opportunity to competitively procure service and repair.

The District relied on Government Code section 6500, et seq. which allows public agencies to enter into joint powers agreements ("JPA") to exercise powers common to them, including the power to procure equipment materials and supplies. The fire alarm panel replacements were procured via a JPA known as Sourcewell (formerly known as NJPA), which JPA entered into a contract with Johnson Controls (formerly SimplexGrinnell, LP) on June 30, 2017 for four years to provide members of the JPA with facility security equipment, systems and services at prices more favorable than otherwise available from Johnson Controls. The District is a member of the Sourcewell JPA and entered into a Purchase Agreement with Johnson Controls on September 10, 2019.

The history for the District’s contract with Johnson Controls for the fire alarm panel replacement is summarized in Table 1.

Recommended Action

Approve Ratification of Change Order No. 1 to Agreement for Construction Services with JPB Design, Inc. for the construction and modernization work performed at the Laney College Children Center in an Amount Not-to-Exceed $8,019.02 and a non-compensable contract extension of 362 days.

Background/Analysis:

JPB Design, Inc. was approved to perform construction services at the Laney College Children’s Center for the Amount Not-to-Exceed $170,000.00 at the Board of Trustees meeting on January 22, 2019. The scope of work included installation of ornamental fencing and chain link fence, replacement of door hardware, replacement of carpet with new VCT tiles, painting, landscaping, and installation of new modular partitions and furniture in three (3) offices. This project is in partial fulfilment of the need to constantly modernize the children's center to meet code compliance requirements and sustain general campus beautification efforts. All work was performed during off hours in order not to impact the childcare center operations.

Subsequent to the executed Agreement and during construction, the Center requested additional work, including: installation of additional VCT flooring, replacement of one (1) children's toilet and two (2) adult toilets, repairs at two (2) doors and fence adjacent to rear patio, providing and installing additional
ceiling tile, minor sink repairs, and purchasing and installing miscellaneous office furniture. The cost of the additional work was greater than the allowance monies available in the original contract by $8,019.02. A contract time extension is also requested for 362 days. This is the only change order, and will close out the project.

JPB Design Inc., currently has the following contract with the District:

**Contact Information for JPB Design, Inc.:**

6021 Keats Circle
Orangevale, CA 95662
(916)549-6259

**Deliverables and Scope of Work:**

Items noted in Change Order No. 1 include:

1. Additional removal of existing carpet and replacing with VCT flooring
2. Providing and installing two (2) new adult toilets and one (1) new child toilet
3. Repairing two (2) doors and fence adjacent to rear patio
4. Providing and installing additional ceiling tiles
5. Minor sink repairs and
6. Purchasing and installing miscellaneous office furniture

**Anticipated Completion Date:**

Work will be completed by April 30, 2020.

**Evaluation and Recommended Action:**

The Project Manager, Vice Chancellor of General Services and Chancellor recommend approval of ratification of Change Order No. 1 to Agreement for Construction Services with JPB Design, Inc. for the construction and modernization work performed at the Laney College Children Center in an Amount Not-to-Exceed $8,019.02 and a non-compensable contract extension of 362 days.

Budget Source
Fund 11 and Fund 1
Recommended Action
Adopt Resolution 19/20-23 Authorizing the Purchase of a CampusLogic Subscription in the Amount of $436,800 Under the FCCC-CampusLogic Agreement

Background/Analysis:
Currently, PCCD students must submit required financial aid documents in paper format in person. This places a hardship on students that includes a slower process of approval. CampusLogic is a cloud-based software company that will assist in improving efficiencies, and student retention. Students will be able to upload and sign documents electronically and directly in their financial aid folder allowing for a quicker, more secured portal that eases the student experience and reduces redundancy. Financial aid staff will be able to message students about outstanding items via the portal as well which will increase communication to students to assist with timely processing. PCCD has received a State Financial Aid Technology grant to pay for the majority of this project.

Pricing for the California Community Colleges is negotiated by the Foundation for California Community Colleges (FCCC). The agreement between FCCC and CampusLogic is effective as of February 1, 2018 through 2021 and provides for PCCD to purchase through said agreement.

Deliverables and Scope of Work:
The deliverables include a subscription license and the implementation of software in coordination with PCCD-IT, training of financial aid staff and certain technical support.

Anticipated Completion Date:
11/30/2022
Evaluation and Recommended Action:

The Chancellor recommends adoption

Budget Source

Income Generating - California Department of Education

Recommended Action

Adopt Resolution 19/20-24 Authorizing an Amendment to the Contract between Peralta CCD and California Department of Education relating to the Laney and Merritt Childcare Centers to Increase the Contract’s Maximum Reimbursable Amount by $35,529 and to Designate the Personnel Authorized to Execute Documents Related to the Contract.

Background/Analysis:

At the July 23, 2019 meeting, the Board of Trustees previously approved a contract between Peralta Community College District and the California Department of Education to provide child care and
development services at Laney College & Merritt College during fiscal year 2019-2020. Pursuant to the contract, Peralta was eligible for a maximum reimbursement amount (MRA) of $1,003,272 for services provided.

This resolution seeks to amend the contract as follows:

- Increase the MRA by $34,529 for a total MRA of $1,037,801;
- Increase the maximum rate per child per day of enrollment rate from $51.84 to $53.41; and
- Increase the minimum child days of enrollment requirement from 19,353.0 to 19,430.8.

To amend this contract, (contract number CSPP-9021; project number 01-6126-00-9), the California Department of Education requires a resolution from its Governing Board approving the amendment. Additionally, as required by the California Department of Education, this resolution also serves to approve the designation of certain Peralta CCD personnel to execute documents related to this contract on behalf of Peralta.

9.7 Consider Adoption of Resolution No. 19/20-18 Declaring the Futility of Public Bidding and Approval of Change Order No. 1 to Agreement for Construction Services with Professional Glass Installations, Inc. for the Laney College Window Repairs (Bid No. 18-19/28) in an Amount Not-to-Exceed $9,355.47 and a contract extension of 60 days. Presenter: Vice Chancellor Sata

Budget Source
General Fund or Redevelopment Agency Fund

Recommended Action
Approve Adoption of Resolution No. 19/20-18 Declaring the Futility of Public Bidding and Approve Change Order No. 1 to Agreement for Construction Services with Professional Glass Installations, Inc. for the Laney College Window Repairs (Bid No. 18-19/28) in an Amount Not-to-Exceed $9,355.47 and a contract extension of 60 days.

Background/Analysis:

Professional Glass Installations, Inc. was approved to replace twenty-nine broken glass window panes of various sizes and thicknesses throughout Laney College for the Amount Not-to-Exceed $20,574.66 at the Board of Trustees meeting on July 23, 2019.

A formal bid (Bid No. 18-19/28) was conducted for this project in compliance with Public Contract Code Section 20651 with a bid opening that was held on July 9, 2019.
A total of three vendors bid on the project, but one bid was nonresponsive, and as a result was rejected by the administration in accordance with Board Policy, and Professional Glass Installations, Inc., was selected as the lowest responsible and responsive bidder. Following award of the contract, Professional Glass Installations, Inc. commenced work on the project.

Subsequent to the executed Agreement, twelve (12) additional glass window panes were broken and/or inadvertently not included in the original proposal. Additionally, the wire glass scheduled to be replaced no longer meets code. To be code compliant such glass must be fire rated and ⅜” thick minimum. Finally, while removing the wooden board protection in order to verify the exact dimensions of the glass, it was discovered that the glazing gaskets were missing at two (2) windows. Such glazing gaskets are needed to install the new glass. All work is noted in change order no. 1 attached.

With the addition of Change Order No. 1, the cumulative amount of changes orders as a percentage of the contract amount is now 45.47%. Notwithstanding Public Contract Code section 20111, California law provides that, "Where competitive proposals work an incongruity and are unavailing as affecting the final result or where they do not produce any advantage . . . the statute requiring competitive bidding does not apply." (Hiller v. City of Los Angeles (1961) 197 Cal.App.2d 685, 694.) Accordingly, public
entities need not comply with competitive bidding processes where to do so would be impractical or futile and would not serve the purposes of competitive bidding. (See Los Angeles Dredging Company v. City of Long Beach (1930) 2 Cal. 348; Graydon v. Pasadena Redevelopment Agency (1980) 104 Cal.App.3d 631).

Here, although the percentage change exceeds 10%, the total sum of the contract is small and it would be impractical to bid a project during construction for $9,355.47. It would also be impractical given this Contractor’s familiarity with the project site, the needs of the site, and the circumstances which gave rise to this Change Order. The scope of services set forth in the Change Order is supported by documentation submitted by the Contractor, and the amounts contained in the Change Order has been reviewed by District staff and determined to be reasonable.

For clarity, the pending Change Order No. 1 is listed below with the accompanying Board approval date of the original contract. Change Order No. 1 also includes a contract extension of 60 days.

Oakland, CA 94609
(510)253-9017

Deliverables and Scope of Work:

Items noted in Change Order No. 1 include:
1. Providing and installing twelve (12) additional glass panes per Additional Scope (Glass only) list dated 10/31/19.
2. Replacing the existing 26” x 48” wire glass by the pool with fire rated, ¼” thick glass meeting hose stream testing.
3. Providing and installing custom glazing gaskets which were missing at the Theater and Student Center.

**Anticipated Completion Date:**

Change Order #1 will add 60 days to the Project. Work will be completed by March 30, 2020.

**Evaluation and Recommended Action:**

The Project Manager, Vice Chancellor of General Services, and Chancellor recommend approval and adoption of Resolution No. 19/20-18 Declaring the Futility of Public Bidding and approval of Change Order No. 1 to Agreement for Construction Services with Professional Glass Installations, Inc. for the Laney College Window Repairs (Bid No. 18-19/28) in an Amount Not-to-Exceed $9,355.47 and a contract extension of 60 days.

Recommended Action
Adopt Resolution 19/20-25 to Authorize the Amendment of the Child Care and Development Contract between Peralta CCD and California Department of Education relating to the Laney and Merritt Childcare Centers to Include a Voluntary Temporary Transfer of $75,000, and to Approve the Designated Personnel Authorized to Execute the Amendment.

Background/Analysis:
During 2018-2019, Peralta contracted with the California Department of Education, Early Care and Education Division for the provision of child care services through Peralta Colleges’ child care centers. Pursuant to the contract, Peralta was eligible for a maximum reimbursement amount (MRA) of $1,033,272 for services provided. As part of Title V regulation, Child Care contractors with California Department of Education, Early Care and Education Division can review their contract to determine if they have under-earned or over-earned on their child care contracts. In the 2018-2019 contract year (Contract # CSPP 8020), Peralta over-earned and was eligible for a Voluntary Temporary Transfer (VTT) of $75,000, which increases the contract MRA to $1,078,272. This transfer is a one-time allocation to cover the services provided in excess of the contract amount due to increased enrollment and serving additional children.

Scope of Work:
The Children’s Centers are licensed to serve 110 children, ages 1-5 years. Currently, each Children Center serves children 3-5 years old. Most parents of the children served are themselves students within the district. Less than 20% of the parents are non-PCCD students. Priority is given to children from low-income families consistent with state requirements. Continued funding through this contract will allow the PCCD Children’s Centers to continue to provide comprehensive child development services during periods when classes are in session.

9.9 Consider Approval of Resolution 19/20-26 supporting Proposition 13. Presenter: Chancellor Stanback Stroud
TO: Members of the Board of Trustees
FROM: Dr. Regina Stanback Stroud, Chancellor
PREPARED BY: Dr. Regina Stanback Stroud

ADOPT PROPOSITION 13 RESOLUTION

Proposition 13 would authorize $15 billion for school and college facilities in California including $9 billion for preschool and K-12 schools, $4 billion for universities and $2 billion for community colleges. The Community College Facilities Coalition (CCFC) is a statewide collation composed of community college districts, facility planners, architects, developers, financial intuitions, attorneys and consultants. The major purpose is to advocate for adequate State and local revenues for facility construction and to provide comprehensive information regarding community college construction and funding issues. CCFC is asking community college districts to consider a resolution in support of Proposition 13.

EVALUATION AND RECOMMENDED ACTION:

The Chancellor recommends adoption of attached PCCD School Bond Resolution
