3. OPEN SESSION

Subject: 3.10 Public Communication

Meeting: Mar 10, 2020 - REGULAR MEETING OF THE BOARD OF TRUSTEES

Type: Information

At this time, the Board of Trustees will listen to communication from the public on matters that are not on the agenda and are within the Board’s jurisdiction. Under provisions of the Brown Act, the Board and District staff are prohibited from discussing or taking action on oral requests that are not part of the agenda, but may respond briefly. A maximum of 15 minutes (up to 3 minutes per individual) will be provided for speakers under this agenda section, at the Board President’s discretion. A speaker’s card must be completed to request to address the Board. Requests to speak which cannot be honored within the time limit will be scheduled for subsequent meetings in the order received. Persons addressing items included on the agenda will be heard at the time the item is considered, and comments on tangential issues not directly related to the item may be ruled out of order. Cards must be received prior to the Board’s consideration of the item and are honored in the order the cards are received. A speaker may yield time to another speaker up to a limit of 6 additional minutes, with no more than 5 speakers on the issue, where both have completed a speaker’s card, and the yielider must identify him/herself to the Board. Speakers are asked to submit any materials to the Board Clerk and shall not approach the dais during meetings. (Please line-up when your name is called.) Further direction is provided in Board Policy and Administrative Procedure 2345 Public Participation at Board Meetings.

4. PRESENTATIONS

Subject  4.1 Student Success Presentation. Presenter: Vice Chancellor Brown
Meeting  Mar 10, 2020 - REGULAR MEETING OF THE BOARD OF TRUSTEES
Type  Information

BACKGROUND/ANALYSIS:

Board Policy 3225 Institutional Effectiveness establishes the board's commitment to regularly assessing the District's institutional effectiveness. Board Policy 2200 Board Duties and Responsibilities include the board's commitment to monitor institutional performance and educational quality. Additionally, ACCJC Standard IV.D: The institution has a governing board that has authority over and responsibility for policies to assure the academic quality, integrity, and effectiveness of the student learning programs and services and the financial stability of the institution define standards of practice for the Board.

This presentation of student success metrics equips the board with the necessary data to make informed decisions and set policies that meet the standards and intent of the related board policies. Student success metrics provide insight into student academic enrollment, retention, persistence and achievement. Board members will be provided point in time and trend data, as well as, strategies each college engages to enhance student success outcomes.

Conduct research on online counseling practices to create resources that inform the implementation of online counseling at Laney. The research will include completing courses in equity and online counseling, interviewing at least 20 counselors in California Community Colleges, and surveying DSPS students at Laney. Ms. Rivkin will also review best practices from local programs and state departments to develop workshops, write a handbook, and gather resources for a guide that will inform department plans for creating an accessible and equitable platform that will serve the growing number of online students in Peralta.

Note: Merritt college did not receive any sabbatical applications this year. Laney approved only one application.

Anticipated Completion Date:

All sabbaticals will be completed by the end of the 20-21 academic year. Please see the document for details.

Evaluation and Recommended Action:

The District's Department of Academic Affairs has evaluated the deliverables to date for Sabbaticals and found them to be satisfactory.

The Chancellor recommends approval.

BACKGROUND/ANALYSIS:

In accordance with procedures outlined in Article 11. Appendix 20 of the Peralta Federation of Teachers Contract, the Tenure Review Committees (TRCs) of the District have completed the 2019-20 cycle of evaluations. The recommendations have been forwarded to and reviewed by the Tenure Review Certification Committees (composed of the Vice Presidents of Instruction and the Faculty Academic Senate Presidents). As stated in Article 11. A20. Section C. k 1-2, The College Certification Committees have certified that the TRC for each candidate has followed the required procedures and timetables, and applied the expected standards of evaluation for Tenure Review. The College Presidents have made their recommendations with the explanations in cases where their recommendation differs from that of the TRC.

BACKGROUND/ANALYSIS:

COLLEGE OF ALAMEDA

As part of the college's planning cycle, the mission statement is reviewed by the college. The mission statement review process culminated in the re-affirmation by CoA College Council in February 2020. The Board of Trustees last re-affirmed College of Alameda's Mission Statement on April 14, 2015.

LANEY COLLEGE

Laney College continuously and systematically evaluates, plans, implements and improves the quality of its educational program and services through the use of data and review of college identified goals. Central to this effort is the periodic review and reaffirmation of the college's overall mission, which guides institutional decision-making, planning, resource allocation, and informs institutional goals for student learning and achievement.

In fall 2017, Laney College embarked on a semester-long strategic planning process that assessed prior progress on identified goals and developed strategic priorities for the next five years.

As part of this process, the college developed a new mission that not only articulates our primary purpose to educate, support and inspire students to excel, but also serves as a call-to-action to recognize the context of our diverse communities in Oakland and the struggle for social justice and inclusion that is deeply rooted. The clear vision for the college's future is...
simple, clear, and student-focused. While only three words, the refined vision involves building upon Laney’s rich tradition of providing life-transforming educational experiences for students through a recommitment to our restated values of respect, diversity, appreciation, competence, integrity, accountability, innovation and collaboration.

MERRITT COLLEGE

To make certain that we emphasize student learning and achievement, Merritt College consistently and collaboratively reviews its Mission, Vision, and Core Values. In Fall 2018, the institution worked through its shared governance processes to thoroughly re-evaluate these cardinal principles to ensure alignment with our strategic plans and priorities. The consequence of that work was the collective re-affirmation of our Mission, Vision, and Core Values.

BACKGROUND/ANALYSIS:

On February 5, 2019, the District and 4 Leaf, Inc., entered an Agreement for Professional Consulting Services ("Agreement") for 4Leaf to provide required Division of the State Architect ("DSA") project inspector services for the College of Alameda New Center for Liberal Arts ("Project") in an amount not-to-exceed $380,000, based on a then-anticipated Project completion date of January 15, 2020. The parties now anticipate Project completion by July 31, 2020, which will require 4Leaf to provide additional project inspector services for the extended duration of the Project.

Accordingly, this Amendment would increase the not-to-exceed ("NTE") amount under the Agreement as follows:

</tr>
</tbody>
</table>

DELIVERABLES/SCOPE OF WORK:

4Leaf will continue to provide DSA project inspector services for the remainder of the Project, which will now be completed by July 31, 2020. The proposed Amendment reflects all hours related to 4Leaf’s DSA project inspector services for the extended duration of the Project.

ANTICIPATED COMPLETION DATE:

4Leaf’s DSA project inspector services should be completed by July 31, 2020; the Agreement will terminate on December 31, 2020.

EVALUATION AND RECOMMENDED ACTION:

The Vice Chancellor of General Services recommends the Board approve Amendment No. 1 to the Agreement for Professional Consulting Services with 4Leaf, Inc.
All matters listed under the Consent Calendar are considered by the Board of Trustees to be routine or sufficiently supported by back-up information as to not require additional discussion. Consent Calendar items will be enacted by one motion. There will be no separate discussion on these items prior to the time the Board votes on them, unless a Board member requests that a specific item be removed from the Consent Calendar for action and a separate vote. Public comment on Consent Calendar items from anyone completing a card will be heard prior to the Board’s vote on the Consent Calendar. All Board approved contracts are subject to final negotiation and execution by the Chancellor.

TO: Peralta Board of Trustees

FROM: Department of General Services

PREPARED BY: Dr. Leigh Sata, Interim Vice Chancellor, Facilities

Background/Analysis:

A selection committee consisting of College of Alameda faculty, classified staff and administrators, and joined by Department of General Services (DGS) staff, reviewed six (6) statement of proposals, selecting the two (2) most qualified vendors for interview. The architects were asked to present projects of similar scope and size, executed for community colleges, preferably in the California Community College system. Experience with State funding mechanisms, DSA, and participatory governance decision making were additional criteria of the selection. Each of the finalists participated in a one hour interview, and Lionakis Architects finished in first position, with JK Architecture + Engineering finishing in second position. The scores were close and the committee deemed the both firms capable of executing the work.

Though Lionakis finished in first position, they refused to sign the District’s standard architectural contract. The contract was included in the RFP and other firms have signed the standard agreement, so the District moved to the second place vendor to perform the work. Their contract is now brought to the Board for approval. The new Auto/Diesel Complex at the College of Alameda is located centrally on campus, consisting of approximately 30,175 gross square feet, with a total project budget (based on the State estimate) of approximately $33.650M, and a construction budget of $27.863M. The State’s contribution to funding is approximately 50% of the total project cost. The balance will be funded by Measure G.

Deliverables and Scope of Work:

JK Architecture + Engineering will provide full architectural services, including program verification, schematic design, design development, construction documents, DSA submittal and approval, bid support, and construction administration. The team will work directly with a construction manager selected by DGS.

The project is on a fast track schedule, with the first design milestone expected by the end of summer, 2020.

Anticipated Completion Date:

Project is anticipated to be complete by December 31, 2023.
Evaluation and Recommended Action:

The Vice Chancellor of General Service and Chancellor recommend approval of the architectural contract for JK Architecture + Engineering, in the amount of $2,165,000, for the new Auto/Diesel Complex at the College of Alameda. RFP #19-20/06.

The Chancellor recommends approval.

Subject 8.2 Consider Approval of the California Bank and Trust Commercial Card.
Presenter: Executive Director Ahmed

Meeting Mar 10, 2020 - REGULAR MEETING OF THE BOARD OF TRUSTEES

Type Information

TO: Peralta Board of Trustees

FROM: Executive Fiscal Director Ahmed

PREPARED BY: Andrea Stokes

BACKGROUND/ANALYSIS:

The Peralta District Finance & Administration Department seeks to improve upon the payables processes and streamline the amount of time vendors are paid. Currently, our District relies too heavily on paper checks to pay most of our vendors and this process is not only time-consuming, there are additional postage fees applicable, and there is the lapse in time from when the paper checks are mailed and then received by the vendors.

The California Bank & Trust commercial card report is being presented to the Board of Trustees as a recommendation based on a comprehensive purchasing, travel, and expense card program designed to consolidate and streamline payables processes with electronic payments. It combines the benefits of reporting, control, and visibility into one system — making it easier to manage your expenses more efficiently, take advantage of more purchasing power, and access tools that help you control costs and eliminate time-consuming reconciliations.

California Bank & Trust may also provide commercial credit cards to administrative managers for urgent matters and may replace the CalCard Program that we are currently utilizing. More detailed information regarding the commercial card is provided in the report and below.

- Purchasing: Visa is accepted globally.
- Projects: Issue cards for construction projects to track purchases and create reporting.
- Vendor payments: The card is used by our clients to also streamline their payables. Instead of writing checks, your vendors may accept card as a form of payment, we can assist with identifying which of your suppliers accept credit cards as a form of payment.
- Controls on the cards: You can issue cards to cardholders and restrict MCC (Merchant Category Codes).
- Visa Insurance: $100K on each card for cardholder misuse.
- Fraud protection: Visa and our analytics help with monitoring fraudulent purchases.
- Online Cash Expense management tool: Your employees can enter cash expenses on our Visa portal and approvals for these cash transactions can have layers of approvals on the College side.
- General Ledger Coding: We can assist with building your GL codes into your online system, and cardholders can code their transactions online when ready to properly code, download and upload to your accounting software.
- Receipt Imaging: Available $100 Monthly Fee
- Revenue Share: A cash rebate is paid annually on the calendar year.
  - No Fees: No annual Fee, No per card charge fee, No monthly fee, No online access fees.
- Free Logo on cards.
- Visa Payables Automation: Automates supplier payments from your accounts payable system to VISA eliminating check writing while earning revenue share.

Subject: 10.3 Consider Adoption of Resolution 19/20-39 Authorizing Contract for Network Equipment for College of Alameda Liberal Arts Building Pursuant to Public Contract Code section 20652. Presenter: Vice Chancellor Sata

Meeting: Mar 10, 2020 - REGULAR MEETING OF THE BOARD OF TRUSTEES

Type: Action

Preferred Date: Mar 10, 2020

Absolute Date: Mar 10, 2020

Fiscal Impact: Yes

Dollar Amount: $429,127.89

Budgeted: Yes

Budget Source: Bond Funds

TO: Peralta Board of Trustees

FROM: Department of General Services

PREPARED BY: Vice Chancellor Sata

BACKGROUND/ANALYSIS:

Peralta Community College District ("District") seeks to purchase network equipment and related materials and/or supplies (collectively, "Equipment") for the College of Alameda Liberal Arts Building.

Pursuant to Public Contract Code section 20651, the District is required to competitively bid the purchase of equipment, materials, or supplies that exceeds $95,200 for 2020.

Public Contract Code section 20652, which is commonly referred to as a "piggybacking statute," operates as an exception to the competitive bidding requirement, and allows the District to purchase equipment, materials, or supplies by utilizing a contract authorized by law between a vendor and another public corporation or agency under the same terms as are available to the other public corporation or agency under that contract.

The Foundation of California Community Colleges ("FCCC") is a public agency that procured a contract ("FCCC Contract") with NetXpers, Inc. ("Vendor") for Cisco Network, Server, and Unified Communications Equipment. The FCCC Contract provides that any California community college district may purchase the same products at the same price and upon the same terms as under the FCCC Contract.

District staff have researched the costs and terms of the FCCC Contract and believe that the prices of the FCCC Contract are reasonable and that it would be in the best interests of the District to utilize the FCCC Contract to purchase the Equipment from Vendor for an amount of not-to-exceed $429,127.89.

DELIVERABLES/SCOPE OF WORK:

Vendor will be responsible for delivering, installing, and configuring the Equipment, resulting in a fully operational network for the Liberal Arts Building. The Equipment and Scope of Work are specifically identified in Exhibit A to the Resolution.

ANTICIPATED COMPLETION DATE:

Work will be completed by June 22, 2020.
EVALUATION AND RECOMMENDED ACTION:

The Vice Chancellor of General Services recommends the Board adopt the Resolution Authorizing Contract for Network Equipment for College of Alameda Liberal Arts Building Pursuant to Public Contract Code section 20652.
